Needs and Uses: In CC Docket No. 96-128, the Commission promulgated rules and requirements under Section 276 of the Act that every payphone service provider be fairly compensated for every completed payphone call made from one of their payphones. The rules require: (1) Each Switch-Based Reseller (SBR) to establish and maintain an accurate tracking system, and have that system audited for accuracy by a third party auditor; (2) require SBR's to provide quarterly reports to each PSP containing compensation with supporting data; and (3) require each facilities-based long distance carrier (Intermediate Carrier) that switches payphone calls to other facilities-based long distance carriers to provide each PSP with quarterly reports that include a list of all the facilities-based long distance carriers to which the Intermediate Carrier switched toll-free

and access code calls dialed from each of that payphone service provider's payphones.

Federal Communications Commission.
