Governance: Involves assistance to tribal and Alaska Native village government leaders to increase their ability to execute local control and decision-making over their resources. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)

Implementation Plan: The guidebook the applicant will use in meeting the results and benefits expected for the project. The Implementation Plan provides detailed descriptions of how, when, where, by whom and why activities are proposed for the project and is complemented and condensed by the Objective Work Plan. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)

In-kind Contributions: In-kind contributions are property or services which benefit a federally assisted project or program and which are contributed by the grantee, non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement. Any proposed In-kind match must meet the applicable requirements found in 45 CFR parts 74 and 92. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)

Letter of Commitment: A third party statement to document the intent to provide specific in-kind contributions or cash to support the applicant. The Letter of Commitment must state the dollar amount (if applicable), the length of time the commitment will be honored, and the conditions under which the organization will support the proposed ANA project. If a dollar amount is included, the amount must be based on market and historical rates charged and paid. The resources to be committed may be human, natural, physical, or financial, and may include other Federal and non-Federal resources. For example, a notice of award from another Federal agency committing \$200,000 in construction funding to complement a proposed ANA funded pre-construction activity is evidence of a commitment. Statements

about resources which have been committed to support a proposed project made in the application without supporting documentation will be disregarded. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)

Leveraged Resources: The total dollar value of all non-ANA resources that are committed to a proposed ANA project and are supported by documentation that exceed the 20% non-federal match required for an ANA grant. Such resources may include any natural, financial, and physical resources available within the tribe, organization, or community to assist in the successful completion of the project. An example would be a written letter of commitment from an organization that agrees to provide a supportive action, product, and service, human or financial contribution that will add to the potential success of the project. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)

These areas are specified in the by-laws and/or policies adopted by the organization. They may include, but need not be limited to, economic, artistic, cultural, and recreational activities, and the delivery of human services such as day care, education, and training. Multi-year Project: Encompasses a single theme and requires more than 12 or 17 months to complete. A multi-year project affords the applicant an opportunity to develop and address more complex and in-depth strategies that cannot be completed in one year. A multi-year project is a series of related objectives with activities presented in chronological order over a two or three year period. Prior to funding the second or third year, of a multi-year grant, ANA will require verification and support documentation from the Grantee that objectives and outcomes proposed in the preceding year were accomplished. Applicants proposing multi-year projects must complete and submit an

Objective Work Plan (OWP) and budget with narrative for each project year, and fully describe objectives to be accomplished, outcomes to be achieved, and the results and benefits to determine the successful outcomes of each budget period. ANA will review the quarterly and annual reports of grantees to determine if the grantee is meeting its goals, objectives and activities identified in the OWP. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)

Completion of objectives must result in specific, measurable, outcomes that would benefit the community and directly contribute to the achievement of the stated community goals. Applicants should relate their proposed project objectives to outcomes that support the community's long-range goals. (*Legal authority: Sections 803 (a) and (d) and 803C of the Native Americans Programs Act of 1974, as amended, 42 U.S.C. 2991b and 2991b-3*)
