Grants for Violence-Related Injury Prevention Research: Intimate Partner Violence and Sexual Violence; Notice of Availability of Funds

Application Deadline: April 8, 2003.

A. Authority and Catalog of Federal Domestic Assistance Number

This program is authorized under section 301(a) [42 U.S.C. 241(a)] of the Public Health Service Act and section 391(a) [42 U.S.C. 280b(a)] of the Public Health Service Act, as amended. The catalog of Federal Domestic Assistance number is 93.136.

B. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2003 funds for grants for Intimate Partner Violence and Sexual Violence Injury Prevention Research. This program addresses the "Healthy People 2010" focus area of Injury and Violence Prevention.

The purposes of the program are to:

1. Solicit research applications that address the priorities reflected under the "Programmatic Requirements."

2. Build the scientific base for the prevention and control of injuries, disabilities, and deaths.

3. Encourage professionals from a wide spectrum of disciplines of engineering, epidemiology, medicine, biostatistics, public health, law and criminal justice, and behavioral, and social sciences to perform research in order to prevent and control injuries more effectively.

4. Encourage investigators to propose research that involves intervention development and testing as well as research on methods, to encourage individuals, organizations, or communities to adopt and maintain effective intervention strategies.

Measurable outcomes of the program will be in alignment with the following performance goal for the National Center for Injury Prevention and Control (NCIPC): Develop new or improved approaches for preventing and controlling death and disability due to injuries.

C. Eligible Applicants

Applications may be submitted by public and private nonprofit and for-profit organizations and by governments

and their agencies; that is, universities, colleges, technical schools, research institutions, hospitals, other public and private nonprofit and for-profit organizations, community-based organizations, faith-based organizations, state and local governments or their bona fide agents, including the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, Federally recognized Indian tribal governments, Indian tribes, or Indian tribal organizations, and small, minority, and/or women-owned businesses.

Note: Title 2 of the United States Code section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant or loan.

Applications that are incomplete or non-responsive to the below requirements will be returned to the applicant without further consideration. The following are applicant requirements:

1. A principal investigator who has conducted research, published the findings in peer-reviewed journals, and has specific authority and responsibility to carry out the proposed project.

2. Demonstrated experience on the applicant's project team in conducting, evaluating, and publishing injury control research in peer-reviewed journals.

3. Effective and well-defined working relationships within the performing organization and with outside entities, which will ensure implementation of the proposed activities.

4. The ability to carry out injury control research projects as defined under Attachment 2 (1.a-c). The attachment is posted with this announcement on the CDC Web site: <http://www.cdc.gov/ncipc/ncipchm.htm>.

5. The overall match between the applicant's proposed theme and research objectives and the program priorities as described under the heading, "Program Requirements."

D. Funding

Availability of Funds

Approximately \$1,200,000 is expected to be available in FY 2003 to fund approximately 4-6 awards for intimate partner violence and sexual violence research grants. It is expected that the awards will begin on or about September 1, 2003, and will be made for
