

paragraph (a) of this Rule shall do so within 20 days after service upon the party of an order instituting proceedings pursuant to Rule 5500. If the order instituting proceedings is amended, the Board or the hearing officer may require that an amended answer be filed and, if such an answer is required, shall specify a date for the filing thereof.

(c) Contents of Answer and Effect of Failure To Deny

Unless otherwise directed by the hearing officer or the Board, an answer shall specifically admit, deny, or state that the party does not have, and is unable to obtain, sufficient information to admit or deny each allegation in the order instituting proceedings. When a party intends in good faith to deny only a part of an allegation, the party shall specify so much of it as is true and shall deny only the remainder. A statement of a lack of information shall have the effect of a denial. A defense of res judicata, statute of limitations or any other matter constituting an affirmative defense shall be asserted in the answer. Any allegation not denied shall be deemed admitted.

Rule 5422T. Availability of Documents for Inspection and Copying

(a) Documents To Be Available for Inspection and Copying

(1) [Reserved]

(2) [Reserved]

(3) Proceedings Commenced Pursuant to Rule 5500

Unless otherwise provided by this Rule, or by order of the Board or the hearing officer, in proceedings pursuant to Rule 5500, the Division of Registration and Inspections shall make available for inspection and copying by the applicant documents obtained by that division in connection with the registration application prior to the notice of hearing, except that the Division need not produce any documents described in subparagraph (b) that it does not intend to introduce as evidence.

(b) Documents That May Be Withheld

(1) The interested division may decline to make available for inspection and copying—

(i) Any document prepared by a member of the Board or of the Board's staff that has not been disclosed to any person other than Board members, Board staff, or persons retained by the Board or Board staff to provide services in connection with the investigation, disciplinary proceeding, or hearing on disapproval of registration;

(ii) any other document that is privileged, including any other document protected by the attorney work product doctrine;

(iii) any document that would disclose the identity of a confidential source; and

(iv) any other document that the staff identifies for the hearing officer's consideration as to whether the document may be withheld as not relevant to the subject matter of the proceeding or otherwise for good cause shown.

(2) Nothing in this paragraph (b), or in paragraph (a)(2) above, authorizes the interested division in connection with a disciplinary proceeding or hearing on disapproval of registration to withhold documents that contain material exculpatory evidence.

(c) Procedures Concerning Withheld Documents

(1) The interested division shall, at the time it makes documents available to a respondent under this rule, provide the respondent with a log of documents withheld pursuant to paragraph (b)(1)(ii) of this Rule. The log shall provide the same information that a person would be required to supply to the Board under Rule 5106 in connection with a privilege assertion. On a motion by any respondent, a hearing officer may, in his or her discretion, require the interested division to submit any document listed on the log for inspection by the hearing officer in camera. A hearing officer may order that any such document be made available to a respondent for inspection and copying only if the hearing officer determines that the document is not a document described in paragraph (b)(1)(ii).

(2) The interested division shall, at the time it makes documents available to a respondent under this rule, provide the hearing officer and each respondent with a list of documents withheld pursuant to paragraph (b)(1)(iii) or (b)(1)(iv) of this Rule and a brief description of the reason for withholding each document. The list provided to the respondent may be redacted as necessary to protect interests related to the interested division's reason for withholding the document. The hearing officer may require the interested division to submit any such document for inspection by the hearing officer in camera. The hearing officer may order that any such document be made available to the respondent for inspection and copying only if the hearing officer determines that—

(i) With respect to any document withheld pursuant to paragraph (b)(1)(iii)—

(A) producing the document would not have the effect of identifying a confidential source; or

(B) the document contains material, exculpatory evidence, provided, however, that to the extent such evidence can be disclosed without disclosing the identity of a confidential source, such identity shall not be disclosed.

(ii) with respect to any document withheld pursuant to paragraph (b)(1)(iv)—

(A) the document is relevant to the subject matter of the proceeding and no good cause exists for withholding it; or

(B) the document contains material, exculpatory evidence.

(d) Timing of Inspection and Copying

Unless otherwise ordered by the Board or the hearing officer, the interested division shall make documents available for inspection and copying to any respondent who is not in default under Rule 5409 no later than 14 days after the institution of proceedings pursuant to Rule 5500.

(e) Place of Inspection and Copying

Documents subject to inspection and copying pursuant to this Rule shall be made available to a party for inspection and copying at the Board office where they are ordinarily maintained, or at such other place as the parties, in writing, may agree. A party shall not be given custody of the documents or leave to remove the documents from the Board's offices pursuant to the requirements of this Rule other than by written agreement of the interested division. Such agreement shall specify the documents subject to the agreement, the date they shall be returned and such other terms or conditions as are appropriate to provide for the safekeeping of the documents.

(f) Copying Costs and Procedures

A party may obtain a photocopy of any documents made available for inspection. The party shall be responsible for the cost of photocopying. The respondent shall be given access to the documents at the Board's offices or such other place as the parties may agree during normal business hours for copying of documents at the respondent's expense.

(g) Failure To Make Documents Available—Harmless Error

In the event that a document required to be made available to a party pursuant to this Rule is not made available by the
