Approval and Promulgation of Air Quality Implementation Plans; Montana; Thompson Falls PM₁₀ Nonattainment Area Control Plan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve State Implementation Plan (SIP) revisions submitted by the Governor of Montana on June 26, 1997, and June 13, 2000. (Portions of the June 26, 1997, submittal were withdrawn by the Governor of Montana on February 8, 1999.) These revisions contain an inventory of emissions for Thompson Falls and establish and require continuation of all control measures adopted and implemented for reductions of particulate matter with an

aerodynamic diameter less than or equal to 10 micrometers (PM₁₀) in order to attain the PM₁₀ National Ambient Air Quality Standards (NAAQS) in Thompson Falls. Using the PM₁₀ clean data areas approach, we propose to approve the control measures and the emissions inventory that were submitted as part of the PM₁₀ nonattainment area SIP for Thompson Falls. Also, we will be taking action on other portions of the June 26, 1997, and June 13, 2000, submittals at a later time. We are acting under section 110 of the Clean Air Act (CAA or Act) for this proposed approval.

SUPPLEMENTARY INFORMATION:

I. General Information

A. How Can I Get Copies of This Document and Other Related Information?

1. The Regional Office has established an official public rulemaking file available for inspection at the Regional Office. EPA has established an official public rulemaking file for this action under MT–001–0005, MT–001–0006. The official public file consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public rulemaking file does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public rulemaking file is the collection of materials that is available for public viewing at the Air and Radiation Program, EPA Region 8, 999 18th Street, Suite 300, Denver, CO. EPA requests that if at all possible, you contact the contact listed in the **FOR FURTHER INFORMATION CONTACT** section to schedule your inspection. You may

view the public rulemaking file at the Regional Office Monday through Friday, 8 a.m. to 4 p.m., excluding Federal holidays.

2. Copies of the State submittal are also available for public inspection during normal business hours, by appointment at the State Air Agency. Copies of the State documents relevant to this action are also available for public inspection at the Montana Department of Environmental Quality, Air and Waste Management Bureau, 1520 E. 6th Avenue, Helena, Montana 59620.

3. *Electronic Access.* You may access this **Federal Register** document electronically through the Regulations.gov Web site located at <http://www.regulations.gov> where you can find, review, and submit comments on, Federal rules that have been published in the **Federal Register**, the Government's legal newspaper, and are open for comment.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing at the EPA Regional Office, as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in the official public rulemaking file. The entire printed comment, including the copyrighted material, will be available at the Regional Office for public inspection.

B. How and to Whom Do I Submit Comments?

You may submit comments electronically, by mail, or through hand delivery/courier. To ensure proper receipt by EPA, identify the appropriate rulemaking identification number by including the text "Public comment on proposed rulemaking MT–001–0005, Mt–001–0006" in the subject line on the first page of your comment. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

1. *Electronically.* If you submit an electronic comment as prescribed below, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your
