

**The C.P. Hall Company**

PP 1E6257

EPA has received an amendment to a pending pesticide petition (1E6257) from The C.P. Hall Company, 311 S. Wacker, Suite 4700, Chicago, IL 60606. The pending pesticide petition proposes, pursuant to section 408(d) of the FFDCA, 21 U.S.C. 346a(d), to amend 40 CFR part 180 to establish an exemption from the requirement of a tolerance for N,N-dimethyloctanamide (CAS Reg. No. 1118-92-9) and N,N-dimethyldecanamide (CAS Reg. No. 14433-76-2) when used as an inert ingredient, as an emulsifier, solvent, and cosolvent in pesticide formulations applied only to growing crops. The original pesticide petition specified that the use of N,N-dimethyloctanamide and N,N-dimethyldecanamide should be limited to less than 15% of the total pesticide formulation by weight, and this 15% limit was reflected in the original Notice of Filing, published in the **Federal Register** (66 FR 57450) (FRL-6808-6) on November 15, 2001. Subsequent to the publication of that Notice of Filing, the petitioner requested to amend the pending pesticide petition to remove the limitation on the percentage of N,N-dimethyloctanamide and N,N-dimethyldecanamide used in formulated products. There are no other changes to the information presented by the petitioner in the November 15, 2001, Notice of Filing.

EPA has determined that the petition contains data or information regarding the elements set forth in section 408(d)(2) of the FFDCA; however, EPA has not fully evaluated the sufficiency of the submitted data at this time or whether the data supports granting of the petition. Additional data may be needed before EPA rules on the petition. [FR Doc. 03-28654 Filed 11-18-03; 8:45 am]

*B. How Can I Get Copies of This Document and Other Related Information?*

1. *Docket.* EPA has established an official public docket for this action under docket ID number OPP-2003-0365. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.

The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in EPA's Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and
