**SUPPLEMENTARY INFORMATION:**

*Title:* Private Rental Survey.

*OMB Control Number:* 1084-0033.

*Bureau Form Number:* OS-2000 and OS-2001.

*Abstract:* Public Law 88-459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every five years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Quarters (GFQ) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, PAM conducts housing surveys in support of quarters management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Defense, Justice, Transportation, Treasury, Health and Human Services, and Veterans Affairs.

This collection of information provides data that helps DOI as well as other Federal agencies to manage GFQ in compliance with the requirements of OMB Circular A-45 (Revised). If the collection activity were not performed, there would be no basis for determining open market rental costs for GFQ.

*Frequency of Collection:* Each of 15 regions is surveyed every fourth year; this equates to four to five regions surveyed each year.

*Description of Respondents:*

Individual property owners and small businesses or organizations (real estate managers, appraisers, or property managers).
