2. In § 2.1001, definitions of "Complex document," "Large document," and "Simple document" are added to read as follows:

§ 2.1001 Definitions.

* * * * *

Complex document means a document that consists (entirely or in part) of electronic files having substantial portions that are neither textual nor image in nature. For example, specialized submissions may include runtime executable software, viewer or printer executables, dynamic link library (.dll) files, large data sets associated with an executable, and actual software code for analytical programs that a party may intend to introduce into the proceeding.

* * * * *

Large document means a document that consists of electronic files that are larger than 50 megabytes.

* * * * *

Simple document means a document that consists of electronic files that are 50 megabytes or less.

3. In § 2.1003, the introductory text of paragraph (a) and paragraph (a)(1) are revised, and paragraph (e) is added, to read as follows:

§ 2.1003 Availability of Material.

(a) Subject to the exclusions in § 2.1005 and paragraphs (b), (c), and (e) of this section, DOE shall make available, no later than six months in advance of submitting its license application to receive and possess high-level radioactive waste at a geologic repository operations area, the NRC shall make available no later than thirty days after the DOE certification of compliance under § 2.1009(b), and each other potential party, interested governmental participant or party shall make available no later than ninety days after the DOE certification of compliance under § 2.1009(b)—

(1) An electronic file including bibliographic header for all documentary material (including circulated drafts but excluding preliminary drafts) generated by, or at the direction of, or acquired by, a potential party, interested governmental participant or party; provided, however, that an electronic file need not be provided for acquired documentary material that has already been made available by the potential party, interested governmental participant or party that originally created the documentary material. Concurrent with the production of the electronic files will be an authentication statement for posting on the LSN website that indicates where an authenticated image copy of the documents can be obtained.

* * * * *

(e) Each potential party, interested governmental participant or party shall continue to make available to other participants via the LSN documentary material created after the time of its initial certification in accordance with paragraph (a)(1) through (a)(4) of this section.

4. In § 2.1005, paragraph (i) is added to read as follows:

§ 2.1005 Exclusions.

* * * * *

(i) Correspondence between a potential party, interested governmental participant, or party and the Congress of the United States.

5. In § 2.1012, paragraph (a) is revised to read as follows:

§ 2.1012 Compliance.

(a) If the Department of Energy fails to make its initial certification at least six months prior to tendering the application, upon receipt of the tendered application, notwithstanding the provisions of § 2.101(f)(3), the Director of the NRC's Office of Nuclear Material Safety and Safeguards will not docket the application until at least six months have elapsed from the time of the certification. The Director may determine that the tendered application is not acceptable for docketing under this subpart if the application is not accompanied by an updated certification pursuant to § 2.1009(b), or if the Secretary of the Commission determines that the application cannot be effectively accessed through the Commission's Agencywide Documents Access and Management System (ADAMS).

6. In § 2.1013, paragraph (a)(2) and (c)(1) are revised to read as follows:

§ 2.1013 Use of the electronic docket during the proceeding.

* * * * *

(a) * * *

(2) The Secretary of the Commission will establish an electronic docket to contain the official record materials of the high-level radioactive waste licensing proceeding in searchable full text, or, for material that is not suitable for entry in searchable full text, by header and image, as appropriate.

* * * * *

(c)(1) All filings in the adjudicatory proceeding on the license application to receive and possess high-level radioactive waste at a geologic repository operations area under part 60 or 63 of this chapter shall be transmitted by the submitter to the Presiding Officer, parties, and Secretary of the Commission, according to the following requirements—

(i) "Simple documents" must be transmitted electronically via the NRC Electronic Information Exchange (EIE);

(ii) "Large documents" must be transmitted electronically in multiple transmissions of 50 megabytes each via EIE;

(iii) Those portions of complex documents that are amenable to electronic submission must be transmitted electronically. Those portions that are not amenable to electronic transmission must be delivered on optical storage media. The optical storage media must include the complete document, including the
