Scope Rulings

The Department has issued the following scope ruling to date: (1) On October 26, 1998, the Department self-initiated a scope inquiry to determine whether a package weighing over five pounds as a result of allowable industry tolerances is within the scope of the antidumping and countervailing duty orders. On May 24, 1999, we issued a final scope ruling finding that, effective October 26, 1998, pasta in packages weighing or labeled up to (and including) five pounds four ounces is within the scope of the antidumping and countervailing duty orders. See *Memorandum from John Brinkmann to Richard Moreland*, dated May 24, 1999, in the case file in the Central Records Unit, main Commerce building, room B-099 ("CRU").

Rescission of Administrative Review

The Department's regulations, at 19 CFR 351.213(d)(1), provide that the Department will rescind an administrative review if the party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. Gidasa withdrew its request for an administrative review on November 3, 2003, which is within the 90-day deadline. No other party requested a review of Gidasa's sales. Therefore, the Department is rescinding this administrative review.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information

disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with 19 CFR 351.213(d)(4).

Dated: November 17, 2003.
