Notice of Receipt of Requests to Cancel Certain Creosote and Acid Copper Chromate (ACC) Wood Preservative Products, and/or to Amend to Terminate Certain Uses of Other Creosote Products; Extension of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In accordance with section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, EPA is extending for an additional 30 days the comment period commenced by a September 29, 2003 Notice of Receipt of Requests by registrants of pesticide products containing either Creosote or Acid Copper Chromate (ACC) to voluntarily cancel certain pesticide registrations and/or to amend to terminate certain uses of affected products. Specifically, the five registrants who are members of the Creosote Council III have requested to cancel the registrations for their creosote non-pressure treatment end-use products and/or to amend to terminate all non-pressure treatment uses of other creosote products. These registrants are requesting that these voluntary product cancellations and/or use terminations become effective December 31, 2004. Osmose, Inc., the sole registrant of ACC, is also requesting to immediately cancel the registration for its product with no provision for existing stocks. Neither the

registrants of the affected creosote products nor that of the affected ACC product have requested any existing stocks provision, and all registrants waived the 180-day comment period (i.e., any comment period in excess of 30 days). This notice provides an additional 30-day public comment period in response to request for such extension.

DATES: Unless a request is withdrawn by December 26, 2003, or unless the Agency receives substantive comments within this additional comment period that would merit further review of the request, the Agency intends to issue orders granting these requests to cancel certain products, and to amend to terminate certain uses. The Agency will consider withdrawal requests received on or before December 26, 2003. Comments, identified by docket ID number OPP-2003-0324, must be received on or before December 26, 2003.

ADDRESSES: Comments may be submitted electronically, by mail, or through hand delivery/courier. Follow the detailed instructions as provided in Unit I. of the **SUPPLEMENTARY INFORMATION**.
