

technical assistance services should be broken down into the categories listed on the budget form rather than aggregated under the Consultant/Contractual category.

The budget narrative should provide the basis for all project-related costs, including the basis for determining the estimated consultant costs, if compensation of the consultant is required (e.g., the number of days per task times the requested daily consultant rate). Applicants should be aware that consultant rates above \$300 per day must be approved in advance by the Institute, and that no consultant will be paid more than \$900 per day from Institute funds. In addition, the budget should provide for submission of two copies of the consultant's final report to the Institute.

As with other awards to State or local courts, match must be provided in an amount equal to at least 50% of the grant amount requested, and 20% of the match provided must be cash. The Institute may waive the match and cash match requirements in certain circumstances. See section VIII.A.8.c.

Recipients of Technical Assistance Grants do not have to submit an audit but must maintain appropriate documentation to support expenditures. (See section VIII.A.3.)

5. Submission Requirements

Letters of application may be submitted at any time; however, all of the letters received during a calendar quarter will be considered at one time. Applicants submitting letters by September 26, 2003 will be notified of the Board's decision by December 5, 2003. Those submitting letters between September 27, 2003 and January 9, 2004 will be notified of the Institute's decision by April 2, 2004; those submitting letters between January 10 and February 27, 2004 will be notified by June 11, 2004; those submitting letters between February 28 and June 4, 2004 will be notified by August 27, 2004; and those submitting letters between June 5 and September 24, 2004 will be notified by December 10, 2004.

If the support or cooperation of agencies, funding bodies, organizations, or courts other than the applicant would be needed in order for the consultant to perform the required tasks, written assurances of such support or cooperation should accompany the application letter. Support letters also may be submitted under separate cover; however, to ensure that there is sufficient time to bring them to the attention of the Board's Technical Assistance Committee, letters sent under separate cover must be received

not less than three weeks prior to the Board meeting at which the technical assistance requests will be considered (i.e., by October 15, 2003; and February 12, April 8, July 2, and October 14, 2004).

E. Judicial Branch Education Technical Assistance Grants

1. Purpose and Scope

Judicial Branch Education Technical Assistance (JBE TA) Grants are awarded to State and local courts to support: (1) the provision of expert strategic assistance designed to enable them to maintain judicial branch education programming during the current budget crisis; and/or (2) replication or modification of a model training program originally developed with Institute funds. Ordinarily, the Institute will support the adaptation of a curriculum once (i.e., with one grant) in a given State.

JBE TA Grants may support consultant assistance in maintaining or developing systematic or innovative judicial branch educational programming. The assistance might include expert consultation in developing strategic plans to ensure the continued provision of judicial branch education programming despite fiscal constraints; development of improved methods for assessing the need for, and evaluating the quality and impact of, court education programs and their administration by State or local courts; faculty development; and/or topical program presentations. Such assistance may be tailored to address the needs of a particular State or local court or specific categories of court employees throughout a State and, in certain cases, in a region, if sponsored by a court.

2. Application Procedures

For a summary of the application procedures for Judicial Branch Education Technical Assistance Grants, visit the Institute's Web site (<http://www.statejustice.org>) and click on On-Line Tutorials, then Judicial Branch Education Technical Assistance Grant.

In lieu of formal applications, applicants should submit an original and three photocopies of a detailed letter.

3. Application Format

Although there is no prescribed format for the letter, or a minimum or maximum page limit, letters of application should include the following information:

a. For on-site consultant assistance:

(1) *Need for Funding.* What is the critical judicial branch educational need

facing the court? How would the proposed technical assistance help the court meet this critical need? Why cannot State or local resources fully support the costs of the required consultant services?

(2) *Project Description.* What tasks would the consultant be expected to perform, and how would they be accomplished? Which organization or individual would be hired to provide the assistance, and how was this consultant selected? If a consultant has not yet been identified, what procedures and criteria would be used to select the consultant? (Applicants are expected to follow their jurisdictions' normal procedures for procuring consultant services.) What specific tasks would the consultant(s) and court staff undertake? What is the schedule for completion of each required task and the entire project? How would the court oversee the project and provide guidance to the consultant, and who at the court would be responsible for coordinating all project tasks and submitting quarterly progress and financial status reports?

If the consultant has been identified, the applicant should provide a letter from that individual or organization documenting interest in and availability for the project, as well as the consultant's ability to complete the assignment within the proposed time frame and for the proposed cost. The consultant must agree to submit a detailed written report to the court and the Institute upon completion of the technical assistance.

(3) *Likelihood of Implementation.* What steps have been or would be taken to facilitate implementation of the consultant's recommendations upon completion of the technical assistance? For example, if the support or cooperation of specific court officials or committees, other agencies, funding bodies, organizations, or a court other than the applicant would be needed to adopt the changes recommended by the consultant and approved by the court, how would they be involved in the review of the recommendations and development of the implementation plan?

(4) *Support for the Project from the State Supreme Court or its Designated Agency or Council.* Written concurrence on the need for the technical assistance must be submitted. This concurrence may be a copy of SJI Form B (See Appendix F) signed by the Chief Justice of the State Supreme Court or the Chief Justice's designee, or a letter from the State Chief Justice or designee. The concurrence may be submitted with the applicant's letter or under separate cover prior to consideration of the
