

(3) A handloomed, handmade, or folklore apparel or other textile article of an ATPDEA beneficiary country that the President or his designee and representatives of the ATPDEA beneficiary country mutually agree is a handloomed, handmade, or folklore article and that is certified as a handloomed, handmade, or folklore article by the competent authority of the ATPDEA beneficiary country;

(4) Brassieres classifiable under subheading 6212.10 of the HTSUS, if both cut and sewn or otherwise assembled in the United States, or in one or more ATPDEA beneficiary countries, or in both, other than articles entered as articles described in paragraphs (a)(1) through (a)(3) and (a)(7) of this section, and provided that any applicable additional requirements set forth in § 10.248 are met;

(5) Textile luggage assembled in an ATPDEA beneficiary country from fabric wholly formed and cut in the United States, from yarns wholly formed in the United States, that is entered under subheading 9802.00.80 of the HTSUS;

(6) Textile luggage assembled in one or more ATPDEA beneficiary countries from fabric cut in one or more ATPDEA beneficiary countries from fabric wholly formed in the United States from yarns wholly formed in the United States; and

(7) Apparel articles sewn or otherwise assembled in one or more ATPDEA beneficiary countries from fabrics or from fabric components formed, or from components knit-to-shape, in one or more ATPDEA beneficiary countries from yarns wholly formed in the United States or in one or more ATPDEA beneficiary countries (including fabrics not formed from yarns, if those fabrics are classifiable under heading 5602 or 5603 of the HTSUS and are formed in one or more ATPDEA beneficiary countries), including apparel articles sewn or otherwise assembled in part but not exclusively from any of the fabrics, fabric components formed, or components knit-to-shape described in paragraph (a)(1) of this section.

(b) *Dyeing, printing, finishing and other operations*—(1) *Dyeing, printing and finishing operations*. Dyeing, printing, and finishing operations may be performed on any yarn, fabric, or knit-to-shape or other component used in the production of any article described under paragraph (a) of this section without affecting the eligibility of the article for preferential treatment, provided that the operation is performed in the United States or in an ATPDEA beneficiary country and not in any other country and subject to the following additional conditions:

(i) In the case of an article described in paragraph (a)(1), (a)(2), or (a)(7) of this section that contains a knitted or crocheted or woven fabric, or a knitted or crocheted or woven fabric component produced from fabric, that was wholly formed in the United States from yarns wholly formed in the United States, any dyeing, printing, or finishing of that knitted or crocheted or woven fabric or component must have been carried out in the United States; and

(ii) In the case of assembled luggage described in paragraph (a)(5) of this section, an operation may be performed in an ATPDEA beneficiary country only if that operation is incidental to the assembly process within the meaning of § 10.16.

(2) *Other operations*. An article described under paragraph (a) of this section that is otherwise eligible for preferential treatment will not be disqualified from receiving that treatment by virtue of having undergone one or more operations such as embroidering, stone-washing, enzyme-washing, acid washing, perma-pressing, oven-baking, bleaching, garment-dyeing or screen printing, provided that the operation is performed in the United States or in an ATPDEA beneficiary country and not in any other country. However, in the case of assembled luggage described in paragraph (a)(5) of this section, an operation may be performed in an ATPDEA beneficiary country without affecting the eligibility of the article for preferential treatment only if it is incidental to the assembly process within the meaning of § 10.16.

(c) *Special rules for certain component materials*—(1) *Foreign findings, trimmings, interlinings, and yarns*—(i) *General*. An article otherwise described under paragraph (a) of this section will not be ineligible for the preferential treatment referred to in § 10.241 because the article contains:

(A) Findings and trimmings of foreign origin, if the value of those findings and trimmings does not exceed 25 percent of the cost of the components of the assembled article. For purposes of this section “findings and trimmings” include, but are not limited to, sewing thread, hooks and eyes, snaps, buttons, “bow buds,” decorative lace trim, elastic strips, zippers (including zipper tapes), and labels;

(B) Interlinings of foreign origin, if the value of those interlinings does not exceed 25 percent of the cost of the components of the assembled article. For purposes of this section “interlinings” include only a chest type plate, a “hymo” piece, or “sleeve header,” of woven or weft-inserted warp

knit construction and of coarse animal hair or man-made filaments;

(C) Any combination of findings and trimmings of foreign origin and interlinings of foreign origin, if the total value of those findings and trimmings and interlinings does not exceed 25 percent of the cost of the components of the assembled article; or

(D) Yarns not wholly formed in the United States or in one or more ATPDEA beneficiary countries if the total weight of all those yarns is not more than 7 percent of the total weight of the article.

(ii) *“Cost” and “value” defined*. The “cost” of components and the “value” of findings and trimmings or interlinings referred to in paragraph (c)(1)(i) of this section means:

(A) The price of the components, findings and trimmings, or interlinings when last purchased, f.o.b. port of exportation, as set out in the invoice or other commercial documents, or, if the price is other than f.o.b. port of exportation:

(1) The price as set out in the invoice or other commercial documents adjusted to arrive at an f.o.b. port of exportation price; or

(2) If no exportation to an ATPDEA beneficiary country is involved, the price as set out in the invoice or other commercial documents, less the freight, insurance, packing, and other costs incurred in transporting the components, findings and trimmings, or interlinings to the place of production if included in that price; or

(B) If the price cannot be determined under paragraph (c)(1)(ii)(A) of this section or if Customs finds that price to be unreasonable, all reasonable expenses incurred in the growth, production, manufacture, or other processing of the components, findings and trimmings, or interlinings, including the cost or value of materials and general expenses, plus a reasonable amount for profit, and the freight, insurance, packing, and other costs, if any, incurred in transporting the components, findings and trimmings, or interlinings to the port of exportation.

(iii) *Treatment of yarns as findings or trimmings*. If any yarns not wholly formed in the United States or one or more ATPDEA beneficiary countries are used in an article as a finding or trimming described in paragraph (c)(1)(i)(A) of this section, the yarns will be considered to be a finding or trimming for purposes of paragraph (c)(1)(i) of this section.

(2) *Special rule for nylon filament yarn*. An article otherwise described under paragraph (a)(1)(i) through (iii), (a)(2), or (a)(7) of this section will not be
