#### § 10.254 Certificate of Origin.

A Certificate of Origin as specified in § 10.256 must be employed to certify that an article described in § 10.253(a) being exported from an ATPDEA beneficiary country to the United States qualifies for the preferential treatment referred to in § 10.251. The Certificate of Origin must be prepared by the exporter in the ATPDEA beneficiary country. A corrected declaration will be effected by submission of a letter or other written statement to the Customs port where the declaration was originally filed.
