NASA Grant and Cooperative Agreement Handbook—Public Acknowledgements

AGENCY: National Aeronautics and Space Administration.

ACTION: Final rule.

SUMMARY: This final rule amends the NASA Grant and Cooperative Agreement Handbook to include public acknowledgement of NASA's photographs and illustrations in reports or publications generated by NASA's award of grants or cooperative agreements.

EFFECTIVE DATE: December 2, 2003.

FOR FURTHER INFORMATION CONTACT: Paul Brundage, Code HK, (202) 358-0481, e-mail: paul.d.brundage@nasa.gov.

SUPPLEMENTARY INFORMATION:

A. Background

In publications generated from NASA's award of grants and cooperative agreements, principal investigators sometimes fail to acknowledge NASA's photographs and illustrations. This final rule sets forth NASA's desire for acknowledgement in 14 CFR 1260.22. NASA published a proposed rule in the **Federal Register** on August 15, 2003 (68 FR 48837). No comments were received. Therefore, the proposed rule is being adopted as final without change.

B. Regulatory Flexibility Act

NASA certifies that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, because (a) few grants and cooperative agreements under 14 CFR part 1260 are awarded to small businesses, (b) it will only affect the few recipients of awards that make use of NASA photographs and illustrations in their publications, and (c) this final rule has no economic impact on award recipients since it only requests acknowledgment of the source of photographs and illustrations in the recipients' publications.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this rule does not impose any new recordkeeping or information collection requirements, or collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management (OMB) and Budget under 44 U.S.C. 3501, *et seq.*
