

(e) (1) The regulations in this paragraph (e) are stayed until further notice.

(2) Reports and minutes required to be filed by this subpart may be filed by direct electronic transmission in lieu of hard copy. Detailed information on electronic transmission is available from the Commission's Bureau of Trade Analysis. Certification and signature requirements of this subpart can be met on electronic transmissions through use of a pre-assigned Personal Identification Number (PIN) obtained from the Commission. PINs can be obtained by submission by an official of the filing party of a statement to the Commission agreeing that inclusion of the PIN in the transmission constitutes the signature of the official. Only one PIN will be issued for each agreement. Where a filing party has more than one official authorized to file minutes or reports, each additional official must submit such a statement countersigned by the principal official of the filing party. Each filing official will be issued a unique password. A PIN or designation of authorized filing officials may be canceled or changed at any time upon the written request of the principal official of the filing party. Direct electronic transmission filings may be made at any time except between the hours of 8:30 a.m. and 2:00 p.m. Eastern time on Commission business days.

(f) *Time for filing.* Except as otherwise instructed, Monitoring Reports shall be filed within 75 days of the end of each calendar quarter. Minutes of meetings shall be filed within 15 days after the meeting. Other documents shall be filed within 15 days of the receipt of a request for documents.

(g) A complete response in accordance with the instructions on the Monitoring Report shall be supplied to each item. If a party to an agreement is unable to supply a complete response, that party shall provide either estimated data (with an explanation of why precise data are not available) or a detailed statement of reasons for noncompliance and the efforts made to obtain the required information.

(h) A Monitoring Report for a particular agreement may be supplemented with any other relevant information or documentary material.

(i) *Confidentiality.*

(1) The Monitoring Reports, minutes, and any other additional information submitted by a particular agreement will be exempt from disclosure under 5 U.S.C. 552, except to the extent:

(i) It is relevant to an administrative or judicial action or proceeding; or

(ii) It is disclosed to either body of Congress or to a duly authorized committee or subcommittee of Congress.

(2) Parties may voluntarily disclose or make Monitoring Reports, minutes or any other additional information publicly available. The Commission must be promptly informed of any such voluntary disclosure.

(j) Monitoring Report or alternative periodic reporting requirements in this subpart shall not be construed to authorize the exchange or use by or among agreement members of information required to be submitted.

§ 535.702 Agreements subject to Monitoring Report and alternative periodic reporting requirements.

(a) Agreements subject to the Monitoring Report requirements of this subpart are:

(1) An agreement that contains the authority to discuss or agree on capacity rationalization; and/or

(2) Where the parties to an agreement hold a combined market share, based on cargo volume, of 35 percent or more in the entire U.S. inbound or outbound geographic scope of the agreement and the agreement contains any of the following authorities:

(i) The discussion of, or agreement on, whether on a binding basis under a common tariff or a non-binding basis, any kind of rate or charge;

(ii) The establishment of a joint service;

(iii) The pooling or division of cargoes, earnings, or revenues and/or losses;

(iv) The discussion or exchange of data on vessel-operating costs; and/or

(v) The discussion of service contract matters.

(b) The determination of an agreement's reporting obligation under § 535.702(a)(2) in the first instance shall be based on the market share data reported on the agreement's Information Form submitted pursuant to § 535.503. Thereafter, at the beginning of each calendar year, the Bureau of Trade Analysis will notify the agreement parties of any changes in its reporting requirements based on market share data reported on the agreement's quarterly Monitoring Report for the previous second quarter (April-June).

(c) The Commission may require, as necessary, that the parties to an agreement with market share below the 35 percent threshold, as identified and defined in § 535.702(a)(2), submit Monitoring Reports pursuant to § 535.703.

(d) In addition to or instead of the Monitoring Report in § 535.703, the Commission may prescribe, as

necessary, alternative periodic reporting requirements for parties to any agreement identified in § 535.201.

§ 535.703 Monitoring Report form.

(a) For agreements subject to the Monitoring Report requirements in § 535.702(a), the Monitoring Report form, with instructions, is set forth in sections I through III of appendix B of this part. The instructions should be read in conjunction with the Act and this part.

(b) The Monitoring Report shall apply as follows:

(1) Section I shall be completed by parties to agreements identified in § 535.702(a)(1);

(2) Section II shall be completed by parties to agreements identified in § 535.702(a)(2); and

(3) Section III shall be completed by parties to all agreements identified in § 535.702(a).

(c) In accordance with the requirements and instructions in appendix B of this part, parties to an agreement subject to part 3 of section I of the Monitoring Report shall submit a narrative statement on any planned changes in the vessel capacity and/or liner services that the parties will implement under the agreement. This statement shall be submitted to the Director, Bureau of Trade Analysis, no later than 15 days after a vessel capacity and/or liner service change has been agreed upon by the parties but prior to the implementation of the actual change under the agreement.

(d) (1) The Commission may require, in its discretion, that the information on the top agreement commodities in part 4 of section II of the Monitoring Report be reported on a sub-trade basis, as defined in appendix B of this part, rather than on an agreement-wide basis. When commodity sub-trade information is required under this section, the Commission shall notify the parties to the agreement.

(2) For purposes of § 535.703(d)(1), the top agreement commodities shall mean the top 10 liner commodities (including commodities not subject to tariff publication) carried by all the agreement parties in each sub-trade within the geographic scope of the agreement during the calendar quarter. Where the agreement covers both U.S. inbound and outbound liner movements, inbound and outbound sub-trades shall be stated separately. All other instructions, definitions, and terms shall apply as specified and required in appendix B of this part.
