#### SUPPLEMENTARY INFORMATION

##### I. Abstract

Opportunities to bid for contracts under the NATO Security Investment Program (NSIP) are only open to firms of member NATO countries. NSIP procedures for international competitive bidding (AC/4-D/2261) require that each NATO country certify that their respective firms are eligible to bid such contracts. This is done through the issuance of a "Declaration of Eligibility." The U.S. Department of Commerce, Bureau of Industry of Security is the executive agency responsible for certifying U.S. firms. ITA-4023P and BIS-4023P are the application forms used to collect information needed to ascertain the eligibility of a U.S. firm. BIS will review applications for completeness and accuracy and determine a company's eligibility based on its financial viability, technical capability, and security clearances with the Department of Defense.

##### II. Method of Collection

The U.S. Department of Commerce distributes Form ITA-4023P (and revised form BIS-4023P) to potential applicants upon request. The applicant completes the form and forwards it to the U.S. Department of Commerce/Bureau of Industry and Security for processing.
