

Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to amend certain non-option listing rules of the Exchange in response to the adoption of Rule 10A-3 under the Act.<sup>3</sup> The proposed rule change would require the audit committee of each issuer of non-option securities listed on the CBOE to comply, where applicable, with the standards for audit committees mandated by Section 10A(m) of the Act<sup>4</sup> and Rule 10A-3 thereunder. The Exchange also committed to adopt additional listing policies and requirements pertaining to issuer corporate governance.

The proposed rule change was published for comment in the **Federal Register** on October 2, 2003.<sup>5</sup> The Commission received no comments on the proposal. On November 17, 2003, the CBOE submitted an amendment to the proposed rule change.<sup>6</sup> This order approves the proposal, publishes notice of Amendment No. 1, and approves Amendment No. 1 on an accelerated basis.<sup>7</sup>

## II. Discussion

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.<sup>8</sup> Specifically, the Commission finds that the proposal relating to independent audit committees for listed companies is consistent with Section 6(b)(5) of the Act,<sup>9</sup> which requires, among other things, that the CBOE's rules be

designed to prevent fraudulent and manipulative acts and practices, and, in general, to protect investors and the public interest. Moreover, the Commission believes that the CBOE's proposal to add the new requirements concerning audit committees is appropriate and consonant with Section 10A(m)<sup>10</sup> of the Act and Rule 10A-3 thereunder relating to audit committee standards for listed issuers. The Commission notes that the CBOE intends to file an additional rule proposal relating to other corporate governance listing standards.<sup>11</sup>

Furthermore, the Commission finds good cause, consistent with Section 19(b)(2) of the Act,<sup>12</sup> to approve Amendment No. 1 to the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**. In Amendment No. 1, the CBOE expanded, with respect to investment companies, the scope of the proposed provision regarding complaint procedures. Rule 10A-3 requires audit committees to establish procedures for "the confidential, anonymous submission by employees of the listed issuer of concerns regarding questionable accounting or auditing matters."<sup>13</sup> The amended CBOE proposal would require that audit committees of investment companies also establish procedures for the confidential, anonymous submission of such concerns by employees of the investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the investment company, as well as employees of the investment company. This revision responds to a recommendation by the Commission that self-regulatory organizations take into account, in adopting rules to comply with Rule 10A-3, the fact that most services are rendered to an investment company by employees of third parties, such as the investment adviser, rather than by employees of the investment company.<sup>14</sup> The Commission believes that it is appropriate to accelerate approval of this amendment, because it conforms the rule text to similar rules of the New York Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. that were approved by the

Commission,<sup>15</sup> and the amendment raises no new substantive issues.

## III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 1, including whether Amendment No. 1 is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filings will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-CBOE-2003-31 and should be submitted by December 24, 2003.

## IV. Conclusion

*It is therefore* ordered, pursuant to Section 19(b)(2) of the Act,<sup>16</sup> that Amendment No. 1 is approved on an accelerated basis, and that the proposed rule change (File No. SR-CBOE-2003-31) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>17</sup>

Deputy Secretary.
