For details on the calculation of the antidumping duty margins, see the Analysis of Data Submitted by Shanghai Xiuwei International Trading Co., Ltd. ("Shanghai Xiuwei") in the Preliminary Results of New Shipper Review of the Antidumping Duty Order on Honey from the People's Republic of China ("Shanghai Xiuwei Analysis Memo"), dated November 26, 2003; and the Analysis of Data Submitted by Sichuan-Dujiangyan Dubao Bee Industrial Co., Ltd. ("Sichuan Dubao") in the Preliminary Results of New Shipper Review of the Antidumping Duty Order on Honey from the People's Republic of China ("Sichuan Dubao Analysis Memo"), dated November 26, 2003. Public versions of these memoranda are on file in the CRU.

#### Assessment Rates

Pursuant to § 351.212(b), the Department calculates an assessment rate for each importer of the subject merchandise. Upon issuance of the final results of this new shipper review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (i.e., at or above 0.5 percent), the Department will issue appraisal instructions directly to CBP to assess antidumping duties on appropriate entries by applying the assessment rate to the entered value of the merchandise. For assessment purposes, we calculated importer-specific assessment rates for the subject merchandise by aggregating the dumping duties due for all U.S. sales to each importer and dividing the amount by the total entered value of the sales to that importer. If these preliminary results are adopted in our final results of review, we will direct CBP to assess the resulting rate against the entered customs value for the subject merchandise on each of Shanghai Xiuwei's and Sichuan Dubao's importer's/customer's entries during the POR.

#### Cash-Deposit Requirements

Shanghai Xiuwei and Sichuan Dubao may continue to post a bond or other security in lieu of cash deposits for certain entries of subject merchandise exported by Shanghai Xiuwei or Sichuan Dubao. As Sichuan Dubao has certified that it both produced and exported the subject merchandise, Sichuan Dubao's bonding option is limited only to such merchandise for

which it is both the producer and exporter. For Shanghai Xiuwei, which has identified Henan Oriental as the producer of subject merchandise for the sale under review, Shanghai Xiuwei's bonding option is limited only to entries of subject merchandise from Shanghai Xiuwei that were produced by Henan Oriental. Bonding will no longer be permitted to fulfill security requirements for Shanghai Xiuwei's and Sichuan Dubao's shipments after publication of the final results of this new shipper review. The following cash-deposit rates will be effective upon publication of the final results of this new shipper review for all shipments of honey from the PRC entered, or withdrawn from warehouse, for consumption on or after publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For subject merchandise produced and exported by Sichuan Dubao, or produced by Henan Oriental and exported by Shanghai Xiuwei, the cash-deposit rate will be that established in the final results of this review; (2) for all other subject merchandise exported by Shanghai Xiuwei or Sichuan Dubao, the cash-deposit rate will be the PRC country-wide rate, which is 183.80 percent; (3) for all other PRC exporters which have not been found to be entitled to a separate rate, the cash-deposit rate will be the PRC country-wide rate; and (4) for all non-PRC exporters of subject merchandise, the cash-deposit rate will be the rate applicable to the PRC exporter that supplied that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under § 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
