**Authority:** 80 Stat. 379; sec. 3., 60 Stat. 238, as amended; 5 U.S.C. 301, 552.

■ 4. Revise § 323.2(b) to read as follows:

### § 323.2 Rules Governing Availability of Information.

\* \* \* \* \*

(b) *Limitations on the availability of records relating to securities.* Records relating to the purchase, ownership of, and transactions in Treasury securities or other securities handled by the Bureau of the Public Debt for government agencies or wholly or partially Government-owned corporations will ordinarily be disclosed only to the owners of such securities, their executors, administrators or other legal representatives or to their survivors or to investigative and certain other agencies of the Federal and State governments, to trustees in bankruptcy, receivers of insolvents' estates or where a proper order has been entered requesting disclosure of information to Federal and State courts. These records are confidential because they relate to private financial affairs of the owners under this Part. In addition, the information falls within the category of "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy" under the Freedom of Information Act (FOIA), 5 U.S.C. 552(b)(6). FOIA Exemption (b)(6) protects the privacy of living persons who own securities as well as the close survivors of deceased owners. Privacy interests, in the sense of the right to control, use, or disclose information about oneself, cease at death. However, the exemption protects the deceased person's family-related privacy interests that survive death where disclosure would cause embarrassment, pain, grief,

or disrupt the peace of mind, of the surviving family. The Bureau of the Public Debt will determine, under FOIA exemption (b)(6), whether disclosure of the records is in the public interest by balancing the surviving family members' privacy interest against the public's right to know the information.

### Special Local Regulations; 2003 Holiday Boat Parade of the Palm Beaches, Riviera Beach, FL

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** Temporary special local regulations are being established for the 2003 Holiday Boat Parade in Riviera Beach, Florida. The event will be held on December 6, 2003, on the waters of the Intracoastal Waterway staging in the Lake Worth turning basin southeast of Peanut Island, and proceeding north from Lake Worth South Section Marker 1 and to Jonathan's Landing Marina, Lake Worth Creek Marker 19. These regulations exclude non-participant vessels from the regulated area, which includes the staging area and the parade route, and are needed to provide for the safety of life on navigable waters during the event.

**DATES:** These regulations are effective from 6 p.m. until 9 p.m. on December 6, 2003.

**ADDRESSES:** Documents indicated in this preamble as being available in the docket are part of [CGD07-03-151] and are available for inspection or copying at Coast Guard Group Miami, 100 MacArthur Causeway, Miami Beach, Florida, 33139 between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** BMC Vaughn, Coast Guard Group Miami, Florida at (305) 535-4317.

**SUPPLEMENTARY INFORMATION:**

## Good Cause

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM would be unnecessary and contrary to public safety interests. These regulations are needed to minimize danger to the public resulting from numerous spectator and participant craft in close proximity to each other around the staging area and parade route. The event will be held on Saturday December 6, 2003. There is not sufficient time to allow for a notice and comment period, prior to the event. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event. In addition, advance notifications will be made via marine information broadcasts.

For the same reasons, the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

## Background and Purpose

The 2003 Holiday Boat Parade of the Palm Beaches is a nighttime parade of approximately 60 pleasure boats decorated with holiday lights. These boats range in length from 15 feet to 50 feet. It is anticipated that approximately 200 spectator craft will view the parade. The parade will form in a staging area located within the Lake Worth turning basin on the southeast side of Peanut Island and encompassing all waters within the turning basin west of a line connecting Marker 12 on the north side of the turning basin and Marker 13 on the south side of the turning basin. The parade will then commence and proceed north from Lake Worth South Section Marker 1 on the Intracoastal Waterway (ICW) to Jonathan's Landing Marina at Lake Worth Creek Marker 19, where the parade will disperse. The regulated area includes the staging area and the parade route.

## Discussion of Rule

The special local regulations for this event prohibit non-participant vessels from entering the regulated area, which includes the staging area and the parade route.

The staging area encompasses all waters within the Lake Worth turning basin on the southeast side of Peanut Island west of a line connecting Lake Worth Inlet Marker 12 on the north side of the turning basin and Marker 13 on the south side of the turning basin. No anchoring is permitted in the staging area.

The parade route encompasses the Intracoastal Waterway from Lake Worth
