

Rates, dated July 10, 2003. A complete explanation of both the selection and application of facts available can be found in the *Preliminary Determination*. See *Preliminary Determination*, 68 FR at 42387–88. Nothing has changed since the preliminary determination was issued that would affect the Department's selection and application of facts available.

No interested parties have commented since the publication of the preliminary determination on the use of adverse facts available in this investigation, or on the choice of the facts available margin. Accordingly, for the final determination, we are continuing to use the highest margin stated in the notice of initiation for BBA. The "All Others" rate remains unchanged as well.

Analysis of Comments Received

We received no comments from interested parties in response to our preliminary determination in this investigation. We did not hold a hearing because none was requested.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we are directing the U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of all entries of PC strand exported from Brazil that are entered, or withdrawn from warehouse, for consumption on or after the date of the *Preliminary Determination*. The CBP shall continue to require a cash deposit or the posting of a bond based on the estimated dumping margins shown below. The suspension of liquidation instructions will remain in effect until further notice.

We determine that the following dumping margins exist:

Manufacturer/exporter	Margin (percent)
Belgo Bekaert Arames S.A.	118.75
All Others.	118.75

International Trade Commission Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our determination. The ITC will determine, within 45 days, whether imports of subject merchandise from Brazil are causing material injury, or threaten material injury, to an industry in the United States. If the ITC determines that material injury or threat of injury does not exist, this proceeding will be terminated and all securities posted will be refunded or canceled. If

the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP officials to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse for consumption on or after the effective date of the suspension of liquidation.

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

Dated: December 1, 2003.

Certain Stainless Steel Sheet and Strip in Coils From Taiwan: Extension of Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for final results of antidumping duty administrative review.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of the review of stainless steel sheet and strip in coils ("SSSS") from Taiwan. This review covers the period July 1, 2001 through June 30, 2002.

EFFECTIVE DATE: December 8, 2003.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita, Enforcement Group III—Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482–4243.

Background

On August 27, 2002, the Department published a notice of initiation of a

review of SSSS from Taiwan covering the period July 1, 2001 through June 30, 2002. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 67 FR 55000 (August 27, 2002). On August 6, 2003, the Department published the preliminary results of the review. See *Stainless Steel Sheet and Strip in Coils From Taiwan: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 46582 (August 6, 2003), ("Preliminary Results"). In the *Preliminary Results*, the Department stated that it would make its final determination for the antidumping duty administrative review no later than 120 days after the date of publication of the *Preliminary Results*, or not later than December 4, 2003.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results within the 120-day period is not practicable for the following reasons: (1) This review requires the Department to analyze YUSCO's complex affiliation and corporate relationships; (2) This review involves certain complex issues which were raised by petitioners after the verification and after the preliminary results of review; and (3) The review involves a large number of transactions and complex adjustments.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 43 days until January 16, 2004.

This notice is published in accordance with section 751(a)(3)(A) and 777(i) of the Act.

Dated: December 2, 2003.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.
