

(1) *How does a cooperative contract with a non-member vessel?* A cooperative that wishes to contract with a non-member vessel must submit a completed contract fishing application to the Alaska Region, NMFS, in accordance with the contract fishing application instructions.

(2) *What information must be included on a contract fishing application?* The following information must be included on a contract fishing application:

(i) *Co-op name(s).* The names of the cooperative or cooperatives that wish to contract with a non-member vessel.

(ii) *Designated representative(s).* The names and signatures of the designated representatives for the cooperatives that wish to contract with a non-member vessel and the vessel's home cooperative.

(iii) *Vessel name.* The name and AFA permit number of the contracted vessel.

(iv) *Vessel owner.* The name and signature of the owner of the contracted vessel.

(v) *Harvest schedule.* A completed harvest schedule showing how all catch and any overages by the contracted vessel will be allocated between the contracting cooperative (or cooperatives) and the contract vessel's home cooperative. In the event that multiple cooperatives are jointly contracting with a non-member vessel, the harvest schedule must clearly specify how all catch and any overages will be allocated among the various cooperatives.

(3) *What vessels are eligible to conduct contract fishing on behalf of an inshore cooperative?* Only AFA catcher vessels with an inshore fishing endorsement that are members of an inshore cooperative may conduct

contract fishing on behalf of another inshore cooperative.

(4) *Who must be informed?* A cooperative that has contracted with a non-member vessel to harvest a portion of its inshore pollock allocation must inform any AFA inshore processors to whom the vessel will deliver pollock while under contract to the cooperative prior to the start of fishing under the contract.

(5) *How must contract fishing be reported to NMFS?* An AFA inshore processor that receives pollock harvested by a vessel under contract to a cooperative must report the delivery to NMFS on the electronic delivery report by using the co-op code for the contracting cooperative rather than the co-op code of the vessel's home cooperative.
