[Docket No. FR-4456-N-28]

Privacy Act of 1974; Notice of a Computer Matching Program

AGENCY: Office of the Chief Information Officer, (HUD).

ACTION: Notice of a Computer Matching Program—between HUD and the Department of Justice (DOJ).

SUMMARY: In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988, as

amended, (Pub. L. 100-503), and the Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs (54 FR 25818; June 19, 1989), and OMB Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB) Congress and the Public," HUD is issuing a public notice of its intent to conduct a recurring computer matching program with DOJ to utilize a computer information system of HUD, the Credit Alert Interactive Voice Response System (CAIVRS), with DOJ's debtor files. The CAIVRS data base now includes delinquent debt information from the Departments of Agriculture, Education, Veteran Affairs and the Small Business Administration. This match will allow prescreening of applicants for debts owed or loans guaranteed by the Federal government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the Federal government. Before granting a loan, a lending agency and/or an authorized lending institution will be able to interrogate the CAIVRS debtor file, which contains the Social Security Numbers (SSNs) of HUD's delinquent debtors and defaulter and debtor files of the DOJ and verify that the loan applicant is not in default on a Federal judgment or delinquent on direct or guaranteed loans of participating Federal programs. As a result of the information produced by this match, the authorized users may not deny, terminate, or make a final decision on any loan assistance to an applicant or take other adverse action against such applicant, until an officer or employee of such agency has independently verified such information.

DATES: *Effective Date:* Computer matching is expected to begin on January 7, 2004 unless comments are received which will result in a contrary determination, or 40 days from the date a computer matching agreement is signed, whichever is later.

Comment Due Date: January 7, 2004.

ADDRESSES: Interested persons are invited to submit comments regarding this notice to the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-0500. Communications should refer to the above docket number and title. A copy of each communication submitted will be available for public inspection and copying between 8 a.m. and 5 p.m. weekdays at the above address.

Reporting of a Matching Program: In accordance with Public Law 100-503, the Computer Matching and Privacy Protection Act of 1988, as amended, and Office of Management and Budget Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB), Congress and the Public;" copies of this notice and report are being provided to the Committee on Government Reform of the House of Representatives, the Committee on Governmental Affairs of the Senate, and OMB.

Authority: The matching program will be conducted under the authority of 28 U.S.C. 2301(e) (3611 of the Federal Debt Collection Procedures Act of 1990, Pub. L. 101-647), and OMB Circulars A-129 (Managing Federal Credit Programs) and A-70 (Policies and Guidelines for Federal Credit Programs). One of the purposes of all Executive departments and agencies—including HUD—is to implement efficient management practices for federal credit programs. OMB Circulars A-129 and A-70 were issued under the authority of the Budget and Accounting Act of 1921, as amended; the Budget and Accounting Act of 1950, as amended; the Debt Collection Act of 1982, as amended; and, the Deficit Reduction Act of 1984, as amended.

Objectives to be met by the matching program: By identifying those individuals or corporations against whom the DOJ has filed a judgment, the federal government can expand the prescreening search of their loan applicants to further avoid lending to applicants who are credit risks.

Records to be Matched: HUD will utilize its system of records entitled HUD/DEPT-2, Accounting Records. The debtor files for HUD programs involved are included in this system of records. HUD's debtor files contain information on borrowers and co-borrowers who are currently in default (at least 90 days delinquent on their loans); or who have any outstanding claims paid during the last three years on Title II insured or
