This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402 (f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred, and in the subsequent assessment of double antidumping duties.

This notice also is the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 3, 2003.

Faryar Shirzad,

Assistant Secretary for Import Administration.

ACTION: Notice of Final Results of Antidumping Duty Administrative Review and Determination Not to Revoke the Antidumping Duty Order in Part: Certain Pasta from Turkey.

SUMMARY: On August 7, 2002, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain pasta from Turkey. This review covers one exporter/producer of subject merchandise, Filiz Gida Sanayi ve Ticaret A.S. (Filiz). The period of review (POR) is July 1, 2000, through June 30, 2001. Based on our analysis of the comments received, these final results differ from the preliminary results. The final results are listed in the section "Final Results of Review." We are not revoking the antidumping order with respect to Filiz, because Filiz has not had three years of sales in commercial quantities at less than normal value.
