SUPPLEMENTARY INFORMATION: The Beef Promotion and Research Act of 1985 (Act)(7 U.S.C. 2901 *et seq.*), enacted December 23, 1985, authorizes the implementation of a Beef Promotion and Research Order (Order). The Order, as published in the July 18, 1986, **Federal Register** (51 FR 26132), provides for the establishment of a Board. The current Board consists of 100 cattle producers and 8 importers appointed by USDA. The duties and responsibilities of the Board are specified in the Order.

The Act and the Order provide that USDA shall either certify or otherwise determine the eligibility of State cattle producer organizations or associations and general farm organizations, as well as any importer organizations or associations to nominate members to the Board to ensure that nominees represent the interests of cattle producers and importers. Nominations for importer representatives may also be made by individuals who import cattle, beef, or beef products. Persons who are individual importers do not need to be certified as eligible to submit nominations. When individual importers submit nominations, they must establish to the satisfaction of USDA that they are in fact importers of cattle, beef, or beef products, pursuant to § 1260.143(b)(2) of the Order [7 CFR 1260.143(b)(2)]. Individual importers are encouraged to contact AMS at the above address to obtain further information concerning the nomination process, including the beginning and ending dates of the established nomination period and required nomination forms and background information sheets. Certification and nomination procedures were promulgated in the final rule, published in the April 4, 1986, **Federal Register** (51 FR 11557) and currently appear at 7 CFR § 1260.500 through § 1260.640. Organizations which have previously been certified to nominate members to the Board do not need to reapply for

certification to nominate producers and importers for the upcoming vacancies.

The Act and the Order provide that the members of the Board shall serve for terms of 3 years. The Order also requires USDA to announce when a Board vacancy does or will exist. The following States have one or more members whose terms will expire in early 2005:

Uncertified eligible importer organizations that are interested in being certified as eligible to nominate importers for appointment to the listed importer positions must apply by the same date.
