

analysis to price contracts and modifications, and who determine or negotiate reasonable costs in accordance with a clause of a contract, *e.g.*, price revision of fixed-price incentive contracts, terminated contracts, or indirect cost rates.

Item III—Federal Procurement Data System (FAR Case 2003–019)

This final rule amends the FAR to revise FAR 4.602 to—

- Reflect that the information in FPDS-NG is available to the general public;
- Provide the Web site for FPDS-NG, which must be entered as *https://www.fpds.gov*;
- Delete the physical address for the Federal Procurement Data Center;
- Allow agencies to report all transactions between \$2,500 and \$25,000 to FPDS-NG as either individual contract actions or summary contract actions until September 30, 2004;
- Require all contract actions over \$2,500 be reported to FPDS-NG as individual contract actions after September 30, 2004;
- Require agencies to insert the provision at 52.204–6, Data Universal Numbering System (DUNS) Number, in solicitations when the expected award amount will result in the generation of an individual contract action report and the contract does not include FAR clause 52.204–7, Central Contractor Registration; and
- Eliminate the use of the SF 279, Federal Procurement Data System (FPDS)—Individual Contract Action Report, and the SF 281, Federal Procurement Data System (FPDS)—Summary Contract Action Report (\$25,000 or Less).

Item IV—Increased Federal Prison Industries, Inc. Waiver Threshold (FAR Case 2003–001)

The interim rule published as Item V of FAC 2001–014 is adopted as final

without change. The interim rule amended the FAR to increase the Federal Prison Industries, Inc.'s (FPI) clearance exception threshold at FAR 8.606(e) from \$25 to \$2,500, and deleted the criterion that delivery is required within 10 days. Federal agencies are not required to make purchases from FPI of products on FPI's Schedule that are at or below this threshold. Federal agencies, however, may continue to consider and purchase products from FPI that are at or below \$2,500.

Item V—Debarment and Suspension—Order Placement and Option Exercise (FAR Case 2002–010)

This final rule amends FAR part 9 to address the placement of orders under existing contracts and agreements with contractors that have been debarred, suspended, or proposed for debarment.

Item VI—Insurance and Pension Costs (FAR Case 2001–037)

This final rule amends the FAR to revise the Insurance and Indemnification cost principle (FAR 31.205–19), and the portion of the Compensation for Personal Services cost principle relating to pension costs (FAR 31.205–6(j)). The rule revises both cost principles by improving clarity and structure, and removing unnecessary and duplicative language. Changes to FAR 31.205–6(j) include: Use of terminology consistent with Cost Accounting Standard (CAS) 412, Measurement of Pension Costs, and CAS 413, Adjustment and Allocation of Pension Cost; how the government receives pension cost adjustment amounts for CAS-covered and non-CAS-covered contracts; revision of the allowability limitation on employee stock ownership plan (ESOP) contributions; and removal of the requirement for the contracting officer to approve the ESOP contribution rate. Changes to FAR 31.205–19 include the elimination of the U.S. Treasury discount rate provision for computing

actual losses. The case was initiated as a result of comments and recommendations received from industry and government representatives during a series of public meetings. This rule is of particular interest to contractors and contracting officers who use cost analysis to price contracts and modifications, and who determine or negotiate reasonable costs in accordance with a clause of a contract, *e.g.*, price revision of fixed-price incentive contracts, terminated contracts, or indirect cost rates.

Item VII—Debriefing—Competitive Acquisition (FAR Case 2002–014)

This rule amends the FAR to include requirements for debriefing unsuccessful offerors under competitive proposals, as required by sections 1014 and 1064 of the Federal Acquisition Streamlining Act of 1994, as amended, 10 U.S.C. 2305(b) and 41 U.S.C. 253b, respectively. Specifically, 10 U.S.C. 2305(b)(5)(D) and 41 U.S.C. 253b(e)(4) requires each solicitation for competitive proposals to include a statement that prescribes minimal information that shall be disclosed in postaward debriefings. This rule also amends FAR 52.212–1 and 52.215–1 to implement the statutory requirements, and the past performance debriefing requirement at FAR 15.506(d)(2), by listing all the prescribed minimal information that shall be disclosed in postaward debriefings.

Item VIII—Technical Amendments

This amendment makes editorial changes at FAR 1.201–1(b)(1); 6.302–7(c)(1)(i); 13.500(d); 25.701(b); 52.204–7, Alternate I; 52.211–2(a) and (b); and 52.225–13(b).

Dated: December 4, 2003.

Laura Auletta,

Director, Acquisition Policy Division.
