

SUMMARY: This Notice, pursuant to section 6(f)(2) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. 136 *et seq.*, announces that EPA issued Notices of Intent to Suspend pursuant to section 3(c)(2)(B) of FIFRA. The Notices of Intent to Suspend were issued following issuance of Data Call-In Notices (DCI). The DCIs required registrants of products containing captan and DCPA used as an active ingredient to develop and submit certain data. These data were determined to be necessary to maintain the continued registration of affected products. Failure to comply with the data requirements of a DCI is a basis for suspension under section 3(c)(2)(B) of FIFRA. This Notice includes the text of the Notices of Intent to Suspend issued to Riverdale Chemical Company and Voluntary Purchasing Group. As required by section 6(f)(2), the Notices of Intent to Suspend were sent by certified mail, return receipt requested to each affected registrant at its address of record.

4 Phase 5 Reregistration Eligibility Document Data Call-In Notice Issued _____

Dear Sir/Madam:

This letter gives you notice that the pesticide product registration(s) listed in Attachment I will be suspended 30 days from your receipt of this letter unless you take steps within that time to prevent this Notice from automatically becoming a final and effective order of suspension. The Agency's authority for suspending the registrations of your products is section 3(c)(2)(B) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Upon becoming a final and effective order of suspension, any violation of the order will be an unlawful act under section 12(a)(2)(j) of FIFRA.

You are receiving this Notice of Intent to Suspend because you have failed to comply with the terms of the 3(c)(2)(B) Data Call-In Notice. The specific basis for issuance of this Notice is stated in the Explanatory Appendix (Attachment III) to this Notice. The affected product(s) and the requirement(s) which you failed to satisfy are listed and described in the following three attachments:

Attachment II Suspension Report – Requirement List

Attachment III Suspension Report – Explanatory Appendix

The suspension of the registration of each product listed in Attachment I will become final unless at least one of the following actions is completed.

Therefore, no substantive allegation or legal argument concerning other issues, including but not limited to the Agency's original decision to require the submission of data or other information, the need for or utility of any of the required data or other information or deadlines imposed, any allegations of errors or unfairness in any proceedings before an arbitrator, and the risks and benefits associated with continued registration of the affected product, may be considered in the proceeding. The Administrative Law Judge shall by order dismiss any objections which have no bearing on the allowable issues which may be considered in the proceeding.

Section 3(c)(2)(B)(iv) of FIFRA provides that any hearing must be held and a determination issued within 75 days after receipt of a hearing request. This 75-day period may not be extended unless all parties in the proceeding stipulate to such an extension. If a hearing is properly requested, the Agency will issue a final order at the
