Needs and Uses: The Commission issued a Report and Order in CC Docket No. 96-128, FCC 03-235, in which final rules were adopted that altered the previous payphone compensation rules. The new rules place the liability to compensate payphone service providers (PSPs) for payphone-originated calls on the facilities-based long distance carriers from whose switches such calls are completed. The new rules were not put in effect immediately to allow industry time to prepare for implementation of the new rules. Accordingly, the Order adopted interim rules initially adopted in the Second Order on Reconsideration until the new rules outlined in CC Docket No. 96-128 become effective. The interim rules received OMB approval on 11/14/03 and are currently in effect. The Commission is now seeking OMB approval of the final rules. The interim rules will be vacated and the new rules will go into effect on the first day of the next full quarter following the date of OMB approval.
