

WHEREAS the National Trust, on January 31, 2003, relinquished and conveyed to the United States of America all lands owned by the National Trust on Governors Island; and

WHEREAS such relinquishment and conveyance have been accepted by the Secretary of the Interior (Secretary) pursuant to the Antiquities Act; and

WHEREAS it appears that it would be in the public interest to preserve Castle Williams, Fort Jay, and certain lands and buildings necessary for the care and management of the Castle and Fort as the Governors Island National Monument;

NOW, THEREFORE, I, GEORGE W. BUSH, President of the United States of America, by the authority vested in me by section 2 of the Act of June 8, 1906 (34 Stat. 225, 16 U.S.C. 431), do proclaim that there are hereby set apart and reserved as the Governors Island National Monument for the purpose of protecting the objects identified above, all lands and interests in lands owned or controlled by the United States within the boundaries described on the accompanying land description, which is attached to and forms a part of this proclamation. The Federal land and interests in land reserved consist of approximately 22 acres, together with appurtenant easements for all necessary purposes and any associated federally owned personal property of historic interest, which is the smallest area compatible with the property care and management of the objects to be protected.

All Federal lands and interests in lands within the boundaries of this monument are hereby appropriated and withdrawn from all forms of entry, location, selection, sale, or leasing or other disposition under the public land laws, including but not limited to withdrawal from location, entry, and patent under the mining laws, and from disposition under all laws relating to mineral and geothermal leasing.

The Secretary shall manage the monument consistent with the purposes and provisions of this proclamation. For the purpose of preserving, restoring, and enhancing the public visitation and appreciation of the monument, the Secretary shall prepare a management plan for the monument within 3 years of the date of this proclamation. Further, to the extent authorized by law, the Secretary shall promulgate any additional regulations needed for the proper care and management of the objects identified above.

The establishment of this monument is subject to valid existing rights, if any such rights are present.

Nothing in this proclamation shall be deemed to revoke any existing withdrawal, reservation, or appropriation; however, the national monument shall be the dominant reservation.

Warning is hereby given to all unauthorized persons not to appropriate, injure, destroy, or remove any feature of this monument and not to locate or settle upon any of the lands thereof.
