

(10) The railroad shall maintain, at a location of its choice, records sufficient to show the date, manner and result of

locomotive horn testing conducted in compliance with this part.
(d) This section does not apply to locomotives of rapid transit operations which are otherwise subject to this part.

Appendix B to Part 229—[Amended]
■ 4. The entry for § 229.129 “Audible warning devices” in appendix B to part 229 is revised to read as follows:

Section						Violation	Willful Violation
* * * * *							
229.129 Audible warning device:							
(a) Prescribed sound levels						\$2,500	\$5,000
Arrangement of device						2,500	5,000
(b) (1), (ii) Testing						2,500	5,000
(c) Test procedures						2,500	5,000
(c)(10) Records of tests						2,500	5,000
* * * * *							

Issued in Washington, DC, on December 5, 2003.
Allan Rutter,
Administrator.
