

Accounts from the relevant Insurance Investment Company or any series therein and reinvesting such assets in a different investment medium (including another Insurance Fund, if any); (ii) in the case of Participating Insurance Companies, submitting the question of whether such segregation should be implemented to a vote of all affected contract owners and, as appropriate, segregating the assets of any appropriate group (*i.e.*, variable annuity contract owners or variable life insurance contract owners of one or more Participating Insurance Companies) that votes in favor of such segregation, or offering to the affected contract owners the option of making such a change; (iii) withdrawing the assets allocable to some or all of the Qualified Plans from the affected Insurance Investment Company or any Insurance Fund and reinvesting those assets in a different investment medium; and (iv) establishing a new registered management investment company or managed separate account. If a material irreconcilable conflict arises because of a Participating Insurance Company's decision to disregard contract owner voting instructions and that decision represents a minority position or would preclude a majority vote, the Participating Insurance Company may be required, at the Insurance Investment Company's election, to withdraw its Separate Account's investment in the Insurance Investment Company, and no charge or penalty will be imposed as a result of such withdrawal. If a material irreconcilable conflict arises because of a Qualified Plan's decision to disregard Plan participant voting instructions, if applicable, and that decision represents a minority position or would preclude a majority vote, the Qualified Plan may be required, at the election of the Insurance Investment Company, to withdraw its investment in the Insurance Investment Company, and no charge or penalty will be imposed as a result of such withdrawal. The responsibility to take remedial action in the event of a Board determination of a material irreconcilable conflict and to bear the cost of such remedial action shall be a contractual obligation of all Participating Insurance Companies and Qualified Plans under their agreements governing participation in the Insurance Investment Company, and these responsibilities will be carried out with a view only to the interests of the contract owners or, as applicable, Plan participants.

For the purposes of this Condition (4), a majority of the Independent Board Members shall determine whether or

not any proposed action adequately remedies any material irreconcilable conflict, but in no event will the Insurance Investment Company or its Manager be required to establish a new funding medium for any variable contract. No Participating Insurance Company shall be required by this Condition (4) to establish a new funding medium for any variable contract if an offer to do so has been declined by vote of a majority of contract owners materially adversely affected by the material irreconcilable conflict. No Qualified Plan shall be required by this Condition (4) to establish a new funding medium for such Qualified Plan if (i) a majority of Plan participants materially and adversely affected by the material irreconcilable conflict vote to decline such offer or (ii) pursuant to governing Plan documents and applicable law, the Plan makes such decision without Plan participant vote.

5. The Board's determination of the existence of a material irreconcilable conflict and its implications shall be made known promptly in writing to all Participants.

6. Participating Insurance Companies will provide pass-through voting privileges to all variable contract owners whose contracts are funded through a registered Separate Account for so long as the Commission continues to interpret the 1940 Act as requiring pass-through voting privileges for variable contract owners. Accordingly, such Participating Insurance Companies will vote shares of each Insurance Fund held in their registered Separate Accounts in a manner consistent with voting instructions timely received from such contract owners. Each Participating Insurance Company will vote shares of each Insurance Fund held in its registered Separate Accounts for which no timely voting instructions are received, as well as shares held by its General Accounts, in the same proportion as those shares for which voting instructions are received. Participating Insurance Companies shall be responsible for assuring that each of their registered Separate Accounts investing in an Insurance Investment Company calculates voting privileges in a manner consistent with all other Participating Insurance Companies. The obligation to vote an Insurance Investment Company's shares and to calculate voting privileges in a manner consistent with all other registered Separate Accounts investing in an Insurance Investment Company shall be a contractual obligation of all Participating Insurance Companies under their agreements governing participation in the Insurance

Investment Company. Each Plan will vote as required by applicable law and governing Plan documents.

7. An Insurance Investment Company will notify all Participating Insurance Companies and Qualified Plans that disclosure regarding potential risks of mixed and shared funding may be appropriate in prospectuses for any of the Separate Accounts and in Plan documents. Each Insurance Investment Company will disclose in its prospectus that: (i) Shares of the Insurance Investment Company are offered to insurance company Separate Accounts that fund both variable annuity and variable life insurance contracts, and to Qualified Plans and General Accounts; (ii) due to differences of tax treatment or other considerations, the interests of various contract owners participating in the Insurance Investment Company and the interests of Qualified Plans or General Accounts investing in the Insurance Investment Company might at some time be in conflict; and (iii) the Board will monitor the Insurance Investment Company for any material conflicts and determine what action, if any, should be taken.

8. All reports received by the Board of potential or existing conflicts, and all Board action with regard to determining the existence of a conflict, notifying Participants of a conflict, and determining whether any proposed action adequately remedies a conflict, will be properly recorded in the minutes of the Board or other appropriate records, and such minutes or other records shall be made available to the Commission upon request.

9. If and to the extent rule 6e-2 and rule 6e-3(T) under the 1940 Act are amended, or proposed rule 6e-3 is adopted under the 1940 Act, to provide exemptive relief from any provision of the 1940 Act or the rules thereunder with respect to mixed or shared funding on terms and conditions materially different from any exemptions granted in the order requested in this Application, then each Insurance Investment Company and/or the Participating Insurance Companies, as appropriate, shall take such steps as may be necessary to comply with rule 6e-2 and rule 6e-3(T), as amended, and rule 6e-3, as adopted, to the extent such rules are applicable.

10. Each Insurance Investment Company will comply with all provisions of the 1940 Act requiring voting by shareholders (which, for these purposes, shall be the persons having a voting interest in the shares of that Insurance Investment Company), and in particular each Insurance Investment Company will either provide for annual
