Currently, SSI recipients report changes on form SSA-8150, Reporting Events—SSI, or to an SSA teleservice representative through SSA's toll-free telephone number or they visit their local Social Security Office.

The SSI Wage Reporting Pilot: SSA is proposing to conduct a 6-month SSI wage reporting pilot to test a different method of collecting the information. During the pilot, a sample of individuals who need to report a change in earned income would call an SSA toll-free telephone number which will allow them to either speak their report (voice recognition technology) or key in the information using the telephone key pad. At the conclusion of the pilot, SSA will evaluate whether this is an effective method of reporting the information.
