

other environmental values or resources; and (3) impacts of the SHA, considered together with the impacts of other past, present and reasonably foreseeable similarly situated projects would not result, over time, in cumulative effects to environmental values or resources which would be considered significant. This is more fully explained in our Environmental Action Statement.

Based upon this preliminary determination, we do not intend to prepare further NEPA documentation. The Service will consider public comments in making its final determination on whether to prepare such additional documentation.

#### Public Review and Comments

Individuals wishing copies of the permit application, the Environmental Action Statement, or copies of the full text of the SHA, including a map of the proposed permit area, references, and legal descriptions of the proposed permit area, should contact the office and personnel listed in the **ADDRESSES** section. Documents also will be available for public inspection, by appointment, during normal business hours at this office (*see ADDRESSES*).

The Service provides this notice pursuant to section 10(c) of the Act and pursuant to implementing regulations for NEPA (40 CFR 1506.6). All comments received on the permit application and SHA, including names and addresses, will become part of the administrative record and may be released to the public. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, are available for public inspection in their entirety.

#### Decision

We will evaluate the permit application, the SHA, and comments submitted thereon to determine whether the application meets the requirements of section 10(a) of the Act and NEPA regulations. If the requirements are met, the Service will sign the proposed SHA and issue an enhancement of survival permit under section 10(a)(1)(A) of the Act to the Applicant for take of the El Segundo blue butterfly incidental to otherwise lawful activities of the project. The Service will not make a final decision until after the end of the 30-day comment period and will fully

consider all comments received during the comment period.

Dated: February 5, 2003.

Secs. 30 and 31 (Portions of).

Above described property aggregates approximately 16,929.85 acres in Yavapai County.

At 9 a.m. on March 17, 2003 the land will be opened to the operation of the general land laws and to location and entry under the United States mining

laws, subject to valid existing rights, the provision of existing withdrawals, and other segregations of record.

Appropriation of any of the land described in this order under the general mining laws prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. 38 (1988), shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since Congress has provided for such determinations in local courts. All valid applications under any other general land laws received at or prior to 9 a.m. on March 17, 2003 shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.
