(iii) *All other requesters.* For all other requests, the fees for search and duplication apply. The first two hours of search time and the first 100 pages of duplication, however, will be provided free.

(4) *Nonproductive search.* Fees for search may be charged even if no responsive documents are found. Fees for search and review may be charged even if the request is denied.

(5) *Aggregated requests.* A requester may not file multiple requests at the same time, solely in order to avoid payment of fees. If the Secretary of the Board reasonably believes that a requester is separating a request into a series of requests for the purpose of evading the assessment of fees or that several requesters appear to be acting together to submit multiple requests solely in order to avoid payment of fees, the Secretary of the Board may aggregate such requests and charge accordingly. It is considered reasonable for the Secretary of the Board to presume that multiple requests by one requester on the same topic made within a 30-day period have been made to avoid fees.

(6) *Waiver or reduction of fees.* A request for a waiver or reduction of the fees, and the justification for the waiver, shall be included with the request for records to which it pertains. If a waiver is requested and the requester has not indicated in writing an agreement to pay the applicable fees if the waiver request is denied, the time for response to the request for documents, as set forth in under paragraph (d)(4) of this section, shall not begin until a determination has been made on the request for a waiver or reduction of fees.

(i) *Standards for determining waiver or reduction.* The Secretary of the Board may grant a waiver or reduction of fees where it is determined both that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operation or activities of the government, and that the disclosure of information is not primarily in the commercial interest of the requester. In making this determination, the following factors shall be considered:

(A) Whether the subject of the records concerns the operations or activities of the government;

(B) Whether disclosure of the information is likely to contribute significantly to public understanding of government operations or activities;

(C) Whether the requester has the intention and ability to disseminate the information to the public;

(D) Whether the information is already in the public domain;

(E) Whether the requester has a commercial interest that would be furthered by the disclosure; and, if so,

(F) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(ii) *Contents of request for waiver.* A request for a waiver or reduction of fees shall include a clear statement of how the request satisfies the criteria set forth in paragraph (f)(6)(i) of this section.

(iii) *Burden of proof.* The burden shall be on the requester to present evidence or information in support of a request for a waiver or reduction of fees.

(iv) *Determination by Secretary of the Board.* The Secretary of the Board shall make a determination on the request for a waiver or reduction of fees and shall notify the requester accordingly. A denial may be appealed to the Board in accordance with paragraph (e) of this section.

(2) *Form of request.* Each request for confidential treatment of business

information shall state in reasonable detail the facts supporting the commercial or financial nature of the business information and the legal justification under which the business information should be protected. Conclusory statements that release of the information would cause competitive harm generally will not be considered sufficient to justify confidential treatment.

(3) *Designation and separation of confidential material.* All information considered confidential by a submitter shall be clearly designated "PROPRIETARY" or "BUSINESS CONFIDENTIAL" in the submission and separated from information for which confidential treatment is not requested. Failure to segregate confidential commercial or financial information from other material may result in release of the nonsegregated material to the public without notice to the submitter.

(h) *Request for access to confidential commercial or financial information—(1) Request for confidential commercial or financial information.* A request by a submitter for confidential treatment of any business information shall be considered in connection with a request for access to that information.

(2) *Notice to the submitter.* (i) The Secretary of the Board shall notify a submitter who requested confidential treatment of information pursuant to 5 U.S.C. 552(b)(4), of the request for access.

(ii) Absent a request for confidential treatment, the Secretary of the Board may notify a submitter of a request for access to submitter's business information if the Secretary of the Board reasonably believes that disclosure of the information may cause substantial competitive harm to the submitter.

(iii) The notice given to the submitter by mail, return receipt requested, shall be given as soon as practicable after receipt of the request for access, and shall describe the request and provide the submitter seven working days from the date of notice, to submit written objections to disclosure of the information. Such statement shall specify all grounds for withholding any of the information and shall demonstrate why the information which is considered to be commercial or financial information, and that the information is a trade secret, is privileged or confidential, or that its disclosure is likely to cause substantial competitive harm to the submitter. If the submitter fails to respond to the notice within the time specified, the submitter will be considered to have no objection to the release of the information.
