

agencies relevant to the Loan at issue; and

(D) Any other information that can be used by the Board to ensure compliance with environmental laws.

(iii) All information supplied by the Applicant is subject to verification by the Board.

(b) The regulations of the Council on Environmental Quality implementing NEPA require the Board to provide public notice of the availability of Project specific environmental documents such as environmental impact statements, environmental assessments, findings of no significant impact, records of decision, etc., to the affected public. *See* 40 CFR 1506.6(b). Environmental information concerning specific Projects can be obtained from the Board by contacting: Secretary, LOCAL Television Loan Guarantee Board, 1400 Independence Ave., SW., Room 2919-S, Stop 1575; Washington, DC 20250-1575.

(c) *National Environmental Policy Act*— (1) *Purpose*. The purpose of this paragraph (c) is to adopt procedures for compliance with the National Environmental Policy Act, 42 U.S.C. 4321 *et seq.*, by the Board. This paragraph supplements regulations at 40 CFR Chapter V.

(2) *Definitions*. For purposes of this section, the following definitions apply:

*Categorical exclusion* means a category of actions which do not individually or cumulatively have a significant effect on the human environment and for which neither an environmental assessment nor an environmental impact statement is required.

*Environmental assessment* means a document that briefly discusses the environmental consequences of a proposed action and alternatives prepared for the purposes set forth in 40 CFR 1508.9.

*EIS* means an environmental impact statement prepared pursuant to section 102(2)(C) of NEPA.

*FONSI* means a finding of no significant impact on the quality of human environment after the completion of an environmental assessment.

*NEPA* means the National Environmental Policy Act, 42 U.S.C. 4321, *et seq.*

*Working capital loan* means money used by an ongoing business concern to fund its existing operations.

(3) *Delegations to the Secretary of the Board*. (i) All incoming correspondence from Council on Environmental Quality (CEQ) and other agencies concerning matters related to NEPA, including draft and final EIS, shall be brought to the

attention of the Secretary of the Board. The Secretary of the Board will prepare or, at his or her discretion, coordinated replies to such correspondence.

(ii) With respect to actions of the Board, the Board will:

(A) Ensure preparation of all necessary environmental assessments and EISs;

(B) Maintain a list of actions for which environmental assessments are being prepared;

(C) Revise this list at regular intervals, and send the revisions to the Environmental Protection Agency;

(D) Make the list available for public inspection;

(E) Maintain a list of EISs; and

(F) Maintain a file of draft and final EISs.

(4) *Categorical exclusions*. (i) This paragraph describes various classes of Board actions that normally do not have a significant impact on the human environment and are categorically excluded. The word “normally” is stressed; there may be individual cases in which specific factors require contrary action.

(ii) Subject to the limitations in paragraph (c)(4)(iii) of this section, the actions described in this paragraph have been determined not to have a significant impact on the quality of the human environment. They are categorically excluded from the need to prepare an environmental assessment or an EIS under NEPA.

(A) Guarantees of working capital loans; and

(B) Guarantees of loans for the refinancing of outstanding indebtedness of the Applicant, regardless of the purpose for which the original indebtedness was incurred.

(iii) Actions listed in paragraph (c)(4)(ii) of this section that otherwise are categorically excluded from NEPA review are not necessarily excluded from review if they would be located within, or in other cases, potentially affect:

(A) A floodplain;

(B) A wetland;

(C) Important farmlands, or prime forestlands or rangelands;

(D) A listed species or critical habitat for an endangered species;

(E) A property that is listed on or may be eligible for listing on the National Register of Historic Places;

(F) An area within an approved State Coastal Zone Management Program;

(G) A coastal barrier or a portion of a barrier within the Coastal Barrier Resources System;

(H) A river or portion of a river included in, or designated for, potential addition to the Wild and Scenic Rivers System;

(I) A sole source aquifer recharge area;

(J) A State water quality standard (including designated and/or existing beneficial uses and anti-degradation requirements); or

(K) The release or disposal of regulated substances above the levels set forth in a permit or license issued by an appropriate regulatory authority.

(5) *Responsibilities and procedures for preparation of an environmental assessment*. (i) The Board will request that the Lender and Applicant prepare an environmental assessment that provides information concerning all potentially significant environmental impacts of the Applicant's proposed Project. The Board, consulting at its discretion with CEQ, will review the information provided by the Lender and Applicant. Though no specific format for an environmental assessment is prescribed, it shall be a separate document, suitable for public review and should include the following in conformance with 40 CFR 1508.9:

(A) *Description of the environment*. The existing environmental conditions relevant to the Board's analysis determining the environmental impacts of the proposed Project should be described. The no action alternative also should be discussed;

(B) *Documentation*. Citations to information used to describe the existing environment and to assess environmental impacts should be clearly referenced and documented. These sources should include, as appropriate, but not be limited to, local, tribal, regional, State, and Federal agencies, as well as, public and private organizations and institutions;

(C) *Evaluating environmental consequences of proposed actions*. A brief discussion should be included of the need for the proposal, of alternatives as required by 42 U.S.C. 4332(2)(E) and their environmental impacts. The discussion of the environmental impacts should include measures to mitigate adverse impacts and any irreversible or irretrievable commitments of resources to the proposed Project.

(ii) An environmental assessment, may:

(A) Tier upon the information contained in a previous EIS, as described in 40 CFR 1502.20;

(B) Incorporate by reference reasonably available material, as described in 40 CFR 1502.21; and/or

(C) Adopt a previously completed EIS reasonably related to the Project for which the proceeds of the Loan sought to be guaranteed under the Program will be used, as described in 40 CFR 1506.3.

(iii) If, on the basis of the environmental assessment, the Board
