

determines that an EIS is not required, a FONSI, as described in 40 CFR 1508.13 will be prepared. The FONSI will include the environmental assessment or a summary of it and be available to the public from the Board. The Board shall maintain a record of these decisions, making them available to interested parties upon request. Requests should be directed to LOCAL Television Loan Guarantee Board, 1400 Independence Ave., SW., Room 2919-S, Stop 1575; Washington, DC 20250-1575. Prior to a final Guarantee decision, a copy of the NEPA documentation shall be sent to the Board for consideration.

(6) *Responsibilities and procedures for preparation of an environmental impact statement.* (i) If after the environmental assessment has been completed, the Board determines that an EIS is necessary, it and other related documentation will be prepared by the Board in accordance with section 102(2)(c) of NEPA, this section, and 40 CFR parts 1500 through 1508. The Board may seek additional information from the Applicant in preparing the EIS. Once the document is prepared, the Board will transmit the document to the Environmental Protection Agency.

(ii) *EIS.* (A) The following procedures, as discussed in 40 CFR parts 1500 through 1508, will be followed in preparing an EIS:

(1) The format and contents of the draft and final EIS shall be as discussed in 40 CFR part 1502.

(2) The requirements of 40 CFR 1506.9 for filing of documents with the Environmental Protection Agency shall be followed.

(3) The Board, consulting at its discretion with CEQ, shall examine carefully the basis on which supportive studies have been conducted to assure that such studies are objective and comprehensive in scope and in depth.

(4) NEPA requires that the decision making "utilize a systematic, interdisciplinary approach that will ensure the integrated use of the natural and social sciences and the environmental design arts." 42 U.S.C. 4332(A). If such disciplines are not present on the Board staff, appropriate use should be made of personnel of Federal, State, and local agencies, universities, non-profit organizations, or private industry.

(B) Until the Board issues a record of decision as provided in 40 CFR 1502.2 no action concerning the proposal shall be taken which would:

(1) Have an adverse environmental impact; or

(2) Limit the choice of reasonable alternatives.

(3) 40 CFR 1506.10 places certain limitations on the timing of Board decisions on taking "major Federal actions." A Guarantee shall not be made before the times set forth in 40 CFR 1506.10.

(iii) A public record of decision stating what the decision was; identifying alternatives that were considered, including the environmentally preferable one(s); discussing any national considerations that entered into the decision; and summarizing a monitoring and enforcement program if applicable for mitigating the environmental effects of a proposal will be prepared. This record of decision will be prepared at the time the decision is made.

§ 2201.17 Submission of applications.

(a) Applications should be submitted as follows:

(1) Applications for Guarantees shall be submitted to the LOCAL Television Loan Guarantee Board, 1400 Independence Avenue, SW., Stop 1575, Room 2919-S, Washington, DC 20250-1575. Applications should be marked Attention: Secretary, LOCAL Television Loan Guarantee Board.

(2) Applications must be submitted postmarked not later than the application filing deadline established by the Board if the applications are to be considered during the period for which the application was submitted.

(3) All Applicants must submit an original and two copies of a completed application.

(b) *Application deadline.* One or more application windows will be announced. The duration of each application window for submission of applications will be approximately 120 days. Notice of an application window will be published in the **Federal Register**.

§ 2201.18 Application selection.

(a) *Application Priority.* When evaluating applications to determine which Project or combinations of Projects will best facilitate access to Local Television Broadcast Signals, the Board shall give priority in the approval of Guarantees to the following categories:

(1) First, to applications for Projects that will serve households in Nonserved Areas.

(2) Second, to applications for Projects that will serve households in Underserved Areas.

(3) Within each category, the Board shall balance applications for Projects that will serve the largest number of households with applications for Projects that will serve remote, isolated

communities (including noncontiguous States) in areas that are unlikely to be served through market mechanisms. The Board shall consider the Project's estimated cost per household and shall give priority to those applications for Projects that provide the highest quality service at the lowest cost per household.

(b) *Additional Considerations.* (1) The Board shall give additional consideration to applications for Projects that, in addition to providing Local Television Broadcast Signals, also provide High-speed Internet service.

(2) The Board shall consider other factors, which shall include applications for Projects that:

(i) Offer a separate tier of Local Television Broadcast Signals at a lower cost to consumers, except where prohibited by applicable Federal, State, or local laws or regulations; and

(ii) Enable the delivery of Local Television Broadcast Signals consistent with the purpose of the Act by means reasonably compatible with existing systems or devices predominantly in use.

(c) *Other Considerations.* All other evaluation factors and priority considerations being equal, the Board will give a preference in approving Guarantees to those applications for Projects that provide greater amounts and higher quality Collateral.

(d) *Protection of United States Financial Interests.* The Board may not approve the Guarantee of a Loan unless:

(1) The Board has been given documentation, assurances, and access to information, persons, and entities necessary, as determined by the Board, to address issues relevant to review of the Loan by the Board for purposes of the Act; and

(2) The Board makes a determination in writing that:

(i) To the best of its knowledge upon due inquiry, the Assets, facilities, or equipment covered by the Loan will be utilized economically and efficiently;

(ii) The terms, conditions, security, and schedule and amount of repayments of principal and the payment of interest with respect to the Loan protect the financial interests of the United States and are reasonable;

(iii) The value of Collateral provided by an Applicant is at least equal to the unpaid balance of the Loan amount; and if the value of Collateral provided by an Applicant is less than the Loan amount, additional required Collateral is provided by the Applicant or an Affiliate designated by the Applicant and acceptable to the Board;

(iv) All necessary and required regulatory and other approvals, spectrum licenses, and delivery
