

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change would: (i) change references to "paragraphs (b)(2) and (c)(2)" of NASD Rules 3030 and 3031 to "paragraphs (c)(2) and (d)(2)" in NASD IM-3130(a), (c), (d), and (e); and (ii) change references to "the Association" to "NASD" in NASD IM-3130, thereby conforming the rule language in NASD IM-3130 to the rule language in Rules 3130 and 3131, as recently amended.⁵

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of section 15A of the Act,⁶ in general, and with section 15A(b)(6) of the Act,⁷ in particular, which requires, among other things, that NASD's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general to protect investors and the public interest. NASD believes that conforming the references in NASD IM-3130 to renumbered paragraphs in recently amended NASD Rules 3130 and 3131 and changing references to "the Association" to "NASD" would be consistent with the protection of investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change would result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) significantly affect the protection of investors or the public interest;
- (ii) impose any significant burden on competition; and
- (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, it has become effective pursuant to section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

NASD has requested that the Commission waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The proposed rule change corrects references to recently amended rules, which should preserve the accuracy of NASD's rules. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁰

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). The Commission notes that NASD provided written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change.

¹⁰ For purposes only of accelerating the operative date of the proposed rule change the Commission considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).
