BILLING CODE 5001-06-M

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[COTP Morgan City-03-011]

RIN 1625-AA00

Safety Zone; Gulf Intracoastal Waterway, Mile 134 West of the Harvey Locks, Louisa, LA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone 100

feet east and west of the Louisa Bridge on the Gulf Intracoastal Waterway (GIWW), mile 134 West of the Harvey Locks (WHL), extending the entire width of the waterway. This safety zone is needed to protect persons and vessels from the potential safety hazards associated with erecting the north bascule leaf tow section of the new Louisa Bridge. Entry into this zone is prohibited unless specifically authorized by the Captain of the Port Morgan City, or a designated representative.

DATES: This rule is effective from 7 a.m. CDT on January 19, 2004, until 5 p.m. CDT on January 23, 2004.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket [COTP Morgan City-03-011] and are available for inspection or copying at Marine Safety Office Morgan City, 800 David Drive, Morgan City, Louisiana 70380, between 8 a.m. CDT and 4 p.m. CDT, Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LT (Lieutenant) Norm Witt, Marine Safety Office Morgan City, at (985) 380-5320.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM, and under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Publishing an NPRM and delaying this rule's effective date would be contrary to public interest since immediate action is needed to protect vessels and mariners from the hazards

associated with the construction of the new bridge.

Background and Purpose

The Louisiana Department of Transportation and Development will be erecting the north bascule leaf tow section of the new Louisa Bridge. The bridge will be in the closed-to-navigation position during that time. Vessel traffic must remain 100 feet east or west of the bridge from 7 a.m. to 5 p.m. each day, from January 19-23, 2004, to avoid potential hazards while construction is being conducted. Entry into this zone is prohibited to all vessels unless authorized by the Captain of the Port Morgan City, or a designated representative.

Discussion of Rule

The Coast Guard is establishing a temporary safety zone 100 feet east and west of the Louisa Bridge on the Gulf Intracoastal Waterway (GIWW), mile 134 West of the Harvey Locks (WHL), extending the entire width of the waterway. Entry into this zone is prohibited unless specifically authorized by the Captain of the Port Morgan City, or a designated representative.

This rule is effective from 7 a.m. CDT on January 19, 2004, until 5 p.m. CDT on January 23, 2004. This rule will only be enforced from 7 a.m. until 5 p.m. CDT each day that it is effective. During non-enforcement hours, all traffic will be allowed to transit through the zone. Vessels desiring to transit through the zone during enforcement hours must request permission to do so from the Captain of the Port Morgan City, or a designated representative. The Captain of the Port Morgan City will inform the public via broadcast notice to mariners
