

compromise amount, and VA and its officials, past and present, are released and discharged from any and all claims and causes of action arising from the same transaction that the debtor may have. In the event a mutual release is not executed when a debt is compromised, unless prohibited by law, the debtor is still deemed to have waived any and all claims and causes of action against VA and its officials related to the transaction giving rise to the compromised debt.

§ 1.937 [Removed]

§ 1.938 [Removed]

35. Sections 1.937 and 1.938 are removed.

36. Sections 1.940 and 1.941 are revised to read as follows:

§ 1.940 Scope and application.

(a) The standards set forth in §§ 1.940 through 1.944 apply to the suspension or termination of collection activity pursuant to 31 U.S.C. 3711 on debts that do not exceed \$100,000, or such other amount as the Attorney General may direct, exclusive of interest, penalties, and administrative costs, after deducting the amount of partial payments or collections, if any. Prior to referring a debt to DOJ for litigation, VA may suspend or terminate collection under this part with respect to the debt.

(b) If, after deducting the amount of any partial payments or collections, the principal amount of a debt exceeds \$100,000, or such other amount as the Attorney General may direct, exclusive of interest, penalties, and administrative costs, the authority to suspend or terminate rests solely with DOJ. If VA believes that suspension or termination of any debt in excess of \$100,000 may be appropriate, it shall refer the debt to the Civil Division or other appropriate division in DOJ, using the CCLR. The referral should specify the reasons for VA's recommendation. If, prior to referral to DOJ, VA determines that a debt is plainly erroneous or clearly without legal merit, VA may terminate collection activity regardless of the amount involved without obtaining DOJ concurrence.

§ 1.941 Suspension of collection activity.

(a) VA may suspend collection activity on a debt when:

- (1) It cannot locate the debtor;
- (2) The debtor's financial condition is expected to improve; or
- (3) The debtor has requested a waiver or review of the debt.

(b) Based on the current financial condition of the debtor, VA may suspend collection activity on a debt when the debtor's future prospects

justify retention of the debt for periodic review and collection activity and:

(1) The applicable statute of limitations has not expired; or

(2) Future collection can be effected by administrative offset, notwithstanding the expiration of the applicable statute of limitations for litigation of claims, and with due regard to the 10-year limitation for administrative offset prescribed by 31 U.S.C. 3716(e)(1); or

(3) The debtor agrees to pay interest on the amount of the debt on which collection will be suspended, and such suspension is likely to enhance the debtor's ability to pay the full amount of the principal of the debt with interest at a later date.

(c) Collection action may also be suspended, in accordance with §§ 1.911, 1.911a, 1.912, and 1.912a, pending VA action on requests for administrative review of the existence or amount of the debt or a request for waiver of collection of the debt. However, collection action will be resumed once VA issues an initial decision on the administrative review or waiver request.

(d) When VA learns that a bankruptcy petition has been filed with respect to a debtor, in most cases the collection activity on a debt must be suspended, pursuant to the provisions of 11 U.S.C. 362, 1201, and 1301, unless VA can clearly establish that the automatic stay does not apply, has been lifted, or is no longer in effect. VA shall seek legal advice immediately from either the General Counsel or Regional Counsel and, if legally permitted, take the necessary steps to ensure that no funds or money are paid by VA to the debtor until relief from the automatic stay is obtained.

37. Section 1.942 is amended by adding paragraphs (g) and (h) to read as follows:

§ 1.942 Termination of collection activity.

* * * * *

(g) *Discharge in bankruptcy.* Generally, VA shall terminate collection activity on a debt that has been discharged in bankruptcy, regardless of the amount. VA may continue collection activity, subject to the provisions of the Bankruptcy Code, for any payments provided under a plan of reorganization. Offset and recoupment rights may survive the discharge of the debtor in bankruptcy and, under some circumstances, claims also may survive the discharge.

(h) Before terminating collection activity, VA should have pursued all appropriate means of collection and determined, based upon the results of the collection activity, that the debt is

uncollectible. Termination of collection activity ceases active collection of the debt. The termination of collection activity does not preclude VA from retaining a record of the account for purposes of:

(1) Selling the debt, if the Secretary of the Treasury determines that such sale is in the best interests of the United States;

(2) Pursuing collection at a subsequent date in the event there is a change in the debtor's status or a new collection tool becomes available;

(3) Offsetting against future income or assets not available at the time of termination of collection activity; or

(4) Screening future applicants for prior indebtedness.

38. Section 1.943 is revised and § 1.944 is added to read as follows:

§ 1.943 Exception to termination.

When a significant enforcement policy is involved, or recovery of a judgment is a prerequisite to the imposition of administrative sanctions, VA may refer debts for litigation even though termination of collection activity may otherwise be appropriate.

§ 1.944 Discharge of indebtedness; reporting requirements.

(a) Before discharging a delinquent debt (also referred to as a close out of the debt), VA shall take all appropriate steps to collect the debt in accordance with 31 U.S.C. 3711(g), including, as applicable, administrative offset, tax refund offset, Federal salary offset, referral to Treasury or Treasury-designated debt collection centers or private collection contractors, credit bureau reporting, wage garnishment, litigation, and foreclosure. Discharge of indebtedness is distinct from termination or suspension of collection activity under §§ 1.940 through 1.943 and is governed by the Internal Revenue Code. When collection action on a debt is suspended or terminated, the debt remains delinquent and further collection action may be pursued at a later date in accordance with the standards set forth in § 1.900 *et seq.* When VA discharges a debt in full or in part, further collection action is prohibited. Therefore, VA should make the determination that collection action is no longer warranted before discharging a debt. Before discharging a debt, VA must terminate debt collection action.

(b) Upon discharge of an indebtedness, VA must report the discharge to the Internal Revenue Service (IRS) in accordance with the requirements of 26 U.S.C. 6050P and 26 CFR 1.6050P-1. VA may request
