BILLING CODE 4310-MR-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1023 (Final)]

Certain Ceramic Station Post Insulators From Japan

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (Commission) determines, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is materially injured by reason of imports from Japan of certain ceramic station post insulators,² provided for in subheading 8546.20.00 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV).

Background

The Commission instituted this investigation effective December 31, 2002, following receipt of a petition filed with the Commission and Commerce by Lapp Insulator Company LLC (Lapp), LeRoy, NY; Newell Porcelain Co., Inc. (Newell), Newell, WV; Victor Insulators, Inc. (Victor), Victor, NY; and the IUE-CWA, AFL-CIO, Washington, DC. The final phase of the investigation was scheduled by the Commission following notification of a preliminary determination by Commerce that imports of certain ceramic station post insulators from Japan were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigation and of a

public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of July 21, 2003 (68 FR 43162). The hearing was held in Washington, DC, on October 29, 2003, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on December 12, 2003. The views of the Commission are contained in USITC Publication 3655 (December 2003), entitled *Certain Ceramic Station Post Insulators from Japan: Investigation No. 731-TA-1023 (Final)*.

By order of the Commission.

Issued: December 19, 2003.

Marilyn R. Abbott,

Secretary.

BILLING CODE 2210-55-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with 28 U.S.C. 50.7, notice is hereby given that on December 12, 2003, a proposed Consent Decree in *United States v. William J. Gallagher, Executor of the Estate of Sara Noznesky*, Civ. No. 00-5707-BWK (E.D. Pa.), was lodged with the United States District Court for the Eastern District of Pennsylvania.

The proposed consent decree would resolve the United States' claims under sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9606, 9607, against William J. Gallagher, Executor of the Estate of Sara Noznesky ("Settling Defendant") for response costs incurred by EPA at the Kennett Square Junkyard Superfund Site ("Site") located in Chester County, Pennsylvania. The Estate of Sara Noznesky is the current owner and operator of the Site and thus is liable under CERCLA section 107(a)(1).

EPA has thoroughly evaluated the Settling Defendant's ability to pay, and has determined that the Settling Defendant can afford to pay: (1) An initial payment of \$100,000; (2) one hundred percent (100%) of the net proceeds from the sale of the Site property; and (3) fifty percent (50%) of the funds that will be generated from amended tax returns. The total settlement amount is estimated at approximately \$500,000. Settling Defendant has agreed to make the above stated payments to EPA to resolve its liability for the conditions at the Site.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. William J. Gallagher, Executor of the Estate of Sara Noznesky*, Civ. No. 00-5707 (E.D. Pa.), D.J. Ref. 90-11-3-07086.

The Consent Decree may be examined at the Office of the United States Attorney for the Eastern District of Pennsylvania, 615, Chestnut Street, Philadelphia, PA, 19106, and at U.S. EPA Region 3, 1650 Arch Street, Philadelphia, PA 19103-2029. During the public comment period, the Consent

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² The subject products include station post insulators manufactured of porcelain, of standard strength, high strength, or extra-high strength, solid core or cavity core, single unit or stacked unit, assembled or unassembled, and with or without hardware attached, rated at 115 kilovolts (kV) voltage class and above (550 kilovolt Basic Impulse Insulation Level (BIL) and above).
