V. Application Review Information

1. **Selection Criteria:** The selection criteria for this program are in 34 CFR 75.210.

VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notice (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of

this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** At the end of your project, you must submit a final performance report, including financial information as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. **Performance Measures:** Under the Government Performance and Results Act (GPRA), FIPSE performance is focused on (1) the extent to which funded projects are being replicated—i.e., adopted or adapted—by others; and (2) the manner in which projects are being institutionalized and continued after grant funding. These two results constitute FIPSE's indicators of the success of our program. Consequently, applicants for FIPSE grants are advised to give careful consideration to these two outcomes in conceptualizing the design, implementation, and evaluation of the proposed project. If funded, you will be asked to collect and report data in your project's annual performance report on steps taken toward these goals.
