

The Longitudinal Patient Survey will focus on patients who have received buprenorphine and will assess its availability and effectiveness from the patients' point of view. The Survey will collect longitudinal data from a cohort of about 420 buprenorphine patients to assess the effectiveness of buprenorphine therapy. Patients will be recruited through a sample of prescribing physicians' offices. Office staff will give each eligible buprenorphine patient a study brochure that explains the importance of the study, offers an incentive, and gives the patient a toll-free telephone number to

call to complete the survey by telephone.

Patients will be asked a series of questions that will provide baseline data for the evaluation. Follow-up data on the services received, satisfaction with the treatment, and outcomes will be collected 30 days and 6 months later. Survey domains include the following: Patient demographics; Buprenorphine dose over time; Items from the short form of the Addiction Severity Index (ASI); Services being received in addition to medications; Needle-sharing and HIV status; Treatment and substance abuse history, in particular

prior experience with medication-based treatment for opioid dependence; Experience, satisfaction with, and general knowledge of, buprenorphine.

A third survey will be conducted later, focusing on the clinical practice and perceived effectiveness of buprenorphine among only those physicians who are actively prescribing the medication. A separate clearance request will be submitted for this physician survey.

The estimated response burden for the longitudinal survey of buprenorphine patients over a period of one year is summarized below.

Respondent	Number of respondents	Responses/ respondent	Hours/re-sponse	Total hour burden
Physicians	120	12	.08	116
Patient baseline interview	420	1	.75	315
Patient 30-day followup interview	420	1	.67	281
Patient 6-month followup interview	420	1	.67	281
Total	540	993

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: (202) 395-6974.

Dated: December 18, 2003.

Anna Marsh,

Acting Executive Officer, SAMHSA.
