#### Executive Order 12866

This final rule is not significant for purposes of E.O. 12866.

#### Executive Order 13132

This final rule does not contain policies with federalism implications as that term is defined in E.O. 13132.

#### Paperwork Reduction Act

The collection of information required in this final rule has been approved by the Office of Management and Budget under the Paperwork Reduction Act. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection displays a currently valid OMB Control Number; such a Control Number (0608-0066) will be displayed.

The BE-45 survey is expected to result in the filing of approximately 210 reports on a quarterly basis, or 840 responses annually, and the average respondent burden for completing the survey is estimated at 8 hours. Thus, the total respondent burden of the survey is estimated at about 6,720 hours (840 responses times 8 hours average burden). The actual burden will vary from reporter to reporter, depending upon the number and variety of their insurance transactions and the ease of assembling the data. This estimate includes time for respondents to review the instructions, search existing data sources, gather and maintain the data needed, and complete and review the collection of information.

Comments regarding the burden estimate or any aspect of this collection of information should be addressed to: Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, Washington, DC 20230; or faxed (202-395-7245) or e-mailed ([pbugg@omb.eop.gov](mailto:pbugg@omb.eop.gov)) to the Office of

Management and Budget, O.I.R.A., (Attention PRA Desk Officer for BEA).

#### Regulatory Flexibility Act

The Chief Counsel for Regulation, Department of Commerce, has certified to the Chief Counsel for Advocacy, Small Business Administration, under provisions of the Regulatory Flexibility Act (5 U.S.C. 605(b)), that this rule will not have a significant economic impact on a substantial number of small entities as that term is defined in the Regulatory Flexibility Act. The factual basis for the certification was published with the proposed rule. No comments were received regarding the economic impact of the rule. As a result, no final regulatory flexibility analysis was prepared.

■ 2. Section 801.9 is amended by adding new paragraph (c)(5) to read as follows:

##### § 801.9 Reports required.

(c) Quarterly surveys. \* \* \*

(5) BE-45, Quarterly Survey of Insurance Transactions by U.S. Insurance Companies with Foreign Persons:

(i) A BE-45, Quarterly Survey of Insurance Transactions by U.S. Insurance Companies with Foreign Persons, will be conducted covering the first quarter of the 2004 calendar year and every quarter thereafter.

(A) *Who must report—(1) Mandatory reporting.* Reports are required from each U.S. insurance company whose covered transactions with foreign persons exceeded \$8 million for the previous fiscal year or are expected to exceed that amount during the current

fiscal year. This threshold is applied separately to each of the eight individual types of transactions covered by the survey rather than to the sum of the data for all eight types combined. Quarterly reports for a year may be required retroactively when it is determined that the exemption level has been exceeded.

(2) *Voluntary reporting.* Reports are requested from each U.S. insurance company whose covered transactions with foreign persons were \$8 million or less for the previous fiscal year and are not expected to exceed the \$8 million amount during the current fiscal year. Provision of this information is voluntary. The estimates may be based on recall, without conducting a detailed records search.

(B) Any person receiving a BE-45 survey form from BEA must complete all relevant parts of the form and return the form to BEA. A person not subject to the mandatory reporting requirement in paragraph (c)(5)(i)(A) of this section and is not filing information on a voluntary basis must only complete the "Determination of reporting status" and the "Certification" sections of the survey. This requirement is necessary to ensure compliance with the reporting requirements and efficient administration of the survey by eliminating unnecessary followup contact.

(C) *Covered insurance transactions.* The transactions covered by this survey are: reinsurance premiums received, reinsurance premiums paid, reinsurance losses paid, reinsurance losses recovered, primary insurance premiums received, primary insurance losses paid, auxiliary insurance services receipts, and auxiliary insurance services payments. (Auxiliary insurance services include agent's commissions, insurance brokering and agency services, insurance consulting services, evaluation and adjustment services, actuarial services, salvage administration services, and regulatory and monitoring services on indemnities and recovery services.)

(ii) [Reserved]
