

cash reimbursement and commodity assistance, on a per meal basis, for food service to children in nonresidential child care centers and family day care homes, and to eligible adults in nonresidential adult day care centers. The Food and Nutrition Service (FNS) has established application, monitoring, recordkeeping, and reporting requirements to manage the Program effectively, and ensure that the legislative intent of this mandate is responsibly implemented. The information collected is necessary to enable institutions wishing to participate in the Child and Adult Care Food Program (CACFP) to submit applications to the administering agencies, execute agreements with those agencies, and claim the reimbursement to which they are entitled by law.

Need and Use of the Information: FNS and State agencies administering the Program will use the collected information to determine eligibility of institutions to participate in the CACFP, ensure acceptance of responsibility in managing an effective food service, implement systems for appropriating Program funds, and ensure Compliance with all statutory and regulatory requirements.

Description of Respondents: State, local, or tribal government; Individuals or households; Not-for-profit institutions.

Number of Respondents: 2,930,467.

Frequency of Responses:

Recordkeeping; Reporting: On occasion; Biennially; Semi-annually; Monthly and Annually.

Total Burden Hours: 5,778,439.

Title: Application for the Senior Community Service Employment Program.

OMB Control Number: 0596-0099.

Summary of Collection: The Senior Community Service Employment Program (SCSEP) is administered by Title V of the Older Americans Act of 1965, as amended. The Secretary of Labor administers this program in order to foster and promote useful part-time opportunities in community services activities for unemployed low-income persons who are age 55 or older. The Forest Service (FS) participates as one of 13 national sponsors under a grant agreement from the Department of Labor, which operates the SCSEP in 40 states, the District of Columbia, and Puerto Rico. Under the grant agreement the FS recruits and enrolls approximately 5,000 economically disadvantaged persons annually to perform part-time community service assignments within the national forest and surrounding communities. Through the SCSEP the vast majority of

applicants become self-reliant and independent of welfare program and have upgraded their skills and transition into the regular labor market. The FS will collect information using form FS 1800-21b "Application for Senior Community Service Employment Program."

Need and Use of the Information: FS will collect the following information: Identification data (name, address, and birth date); eligibility information (number in family, income and signature); applicant's disposition (family income level determination, eligibility determination, community service assignment determination); and other information such as age, sex, education level, ethnic group, social security number, his/her veteran and handicapped position. The information will be used to identify personal data. The information will also be used to provide the administrative office, Department of Labor, data on the program's target attainments. If the FS does not collection the above data from each applying to the SCSEP, participant eligibility determination could not be legally made thereby eliminating the FS as a national program sponsor.

Description of Respondents:

Individuals households.

Number of Respondents: 6,500.

Frequency of Responses: Reporting: Other (initial application).

Total Burden Hours: 1,083.

Title: Guidelines for Eligibility and Required Documentation for the Golden Access Passport.

OMB Control Number: 0596-NEW.

Summary of Collection: The Golden Access Passport was created in 1980 by an amendment to the Land and Water Conservation Fund Act (LWCFA) of 1965. A Golden Access Passport is a free, lifetime permit that is issued without charge by the National Park Service, Bureau of Land Management, Bureau of Reclamation, and Fish and Wildlife Service, Department of the Interior, the Forest Service, Department of Agriculture, and the U.S. Army Corps of Engineers, Department of Defense to citizens or persons who are domiciled (permanent residents) in the United States, regardless of age, and who have a medical determination and documentation of blindness or permanent disability. Golden Access Passport may be obtained in person and upon proof of blindness or medically determined permanent disability in accordance with the criteria established in the LWCFA of 1965, as amended. In order to clarify and simplify the process for persons with disabilities to obtain

the Golden Access Passport, all of the agencies that issue this free lifetime Passport cooperated in the development of the Guidelines for Eligibility and Required Documentation for the Golden Access Passport. The authority for this information collection can be found at 16 U.S.C. 4601-6a(b).

Need and Use of the Information:

Each agency will use the guidelines when assisting customers seeking to obtain the Passport. The applicant's document or signed statement is used to verify that the individual is qualified to receive the Golden Access Passport. The documentation must be shown or the statement signed in person to ensure that the person signing the Passport is the person to whom the documentation was issued. If the agencies did not have a process by which to determine that these Golden Access Passports are only issued to persons who have been medically determined to be blind or permanently disabled, the agencies would not be able to issue Passports in accordance with the LWCFA requirements.

Description of Respondents:

Individuals or households.

Number of Respondents: 59,810.

Frequency of Responses: Reporting: Other (Initial Application).

Total Burden Hours: 4,984.
