### National Emission Standards for Hazardous Air Pollutants for Chemical Recovery Combustion Sources at Kraft, Soda, Sulfite, and Stand-Alone Semichemical Pulp Mills

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule; amendments.

**SUMMARY:** The EPA is proposing amendments to the national emission standards for hazardous air pollutants

(NESHAP) for chemical recovery combustion sources at kraft, soda, sulfite, and stand-alone semichemical pulp mills, which were issued on January 12, 2001 under section 112 of the Clean Air Act. This action proposes to improve implementation of the emission standards by clarifying and consolidating monitoring and testing requirements and adding a site-specific compliance alternative for one pulp mill.

In the Rules and Regulations section of this **Federal Register**, we are issuing these amendments as a direct final rule, without prior proposal, because we view the revisions as noncontroversial and anticipate no significant adverse comments. We have explained our reasons for these revisions in the preamble to the direct final rule.

If we receive any significant adverse comment on one or more distinct amendments in the direct final rule, we will publish a timely notice of withdrawal in the **Federal Register** informing the public which provisions will become effective and which provisions are being withdrawn due to adverse comment. We will address all public comments in a subsequent final rule. If no significant adverse comments are received, no further action will be taken on the proposal, and the direct final rule will become effective as provided in that action.

The regulatory text for the proposal is identical to that for the direct final rule published in the Rules and Regulations section of this **Federal Register**. For further supplementary information, see the direct final rule.

**DATES:** *Comments.* Written comments must be received by March 20, 2003, unless a hearing is requested by February 28, 2003. If a hearing is requested, written comments must be received by April 4, 2003.

*Public Hearing.* If anyone contacts EPA requesting to speak at a public hearing by February 28, 2003, a public hearing will be held on March 4, 2003.

**ADDRESSES:** *Comments.* Comments may be submitted electronically, by mail, or through hand delivery/courier. By mail, comments may be submitted (in duplicate, if possible) to EPA West (Air Docket), U.S. EPA, Room B–108 (MD–6102T), 1200 Pennsylvania Avenue, NW, Washington, DC 20460, Attention Docket ID No. OAR–2002–0045.
