

whose separate account holds, or will hold, shares of the Trusts or certain related corporations.

2. In connection with the funding of scheduled premium variable life insurance contracts issued through a separate account registered as a unit investment trust ("UIT") under the 1940 Act, Rule 6e-2(b)(15) provides partial exemptions from sections 9(a), 13(a), 15(a) and 15(b) of the 1940 Act. The relief provided by Rule 6e-2 is also granted to the investment adviser, principal underwriter, and depositor of the separate account. Section 9(a)(2) of the 1940 Act makes it unlawful for any company to serve as an investment adviser or principal underwriter of any UIT, if an affiliated person of that company is subject to a disqualification enumerated in sections 9(a)(1) or (2) of the 1940 Act. Sections 13(a), 15(a) and 15(b) of the 1940 Act have been deemed by the Commission to require "pass-through" voting with respect to an underlying investment company's shares. Rule 6e-2(b)(15) provides these exemptions apply only where all of the assets of the UIT are shares of management investment companies "which offer their shares exclusively to variable life insurance separate accounts of the life insurer or of any affiliated life insurance company." Therefore, the relief granted by Rule 6e-2(b)(15) is not available with respect to a scheduled premium life insurance separate account that owns shares of an underlying fund that also offers its shares to a variable annuity separate account or flexible premium variable life insurance separate account of the same company or any other affiliated insurance company. The use of a common management investment company as the underlying investment vehicle for both variable annuity and variable life insurance separate accounts of the same life insurance company or of any affiliated life insurance company is referred to herein as "mixed funding."

3. The relief granted by Rule 6e-2(b)(15) also is not available with respect to a scheduled premium variable life insurance separate account that owns shares of an underlying fund that also offers its shares to separate accounts funding Variable Contracts of one or more unaffiliated life insurance companies. The use of a common management investment company as the underlying investment vehicle for variable annuity and/or variable life insurance separate accounts of unaffiliated life insurance companies is referred to herein as "shared funding."

4. The relief under Rule 6e-2(b)(15) is available only where shares are offered

exclusively to variable life insurance separate accounts of a life insurer or any affiliated life insurance company, additional exemptive relief is necessary if the shares of the Funds are also to be sold to Qualified Plans or other eligible holders of shares, as described above. Applicants note that if shares of the Funds are sold only to Qualified Plans, exemptive relief under Rule 6e-2 would not be necessary. The relief provided for under this section does not relate to Qualified Plans or to a registered investment company's ability to sell its shares to Qualified Plans. The use of a common management investment company as the underlying investment vehicle for variable annuity and variable life separate accounts of affiliated and unaffiliated insurance companies, and for Qualified Plans, is referred to herein as "extended mixed and shared funding."

5. In connection with flexible premium variable life insurance contracts issued through a separate account registered under the 1940 Act as a UIT, Rule 6e-3(T)(b)(15) provides partial exemptions from sections 9(a), 13(a), 15(a) and 15(b) of the 1940 Act. The exemptions granted by Rule 6e-3(T)(b)(15) are available only where all the assets of the separate account consist of the shares of one or more registered management investment companies that offer to sell their shares "exclusively to separate accounts of the life insurer, or of any affiliated life insurance companies, offering either scheduled contracts or flexible contracts, or both; or which also offer their shares to variable annuity separate accounts of the life insurer or of an affiliated life insurance company or which offer their shares to any such life insurance company in consideration solely for advances made by the life insurer in connection with the operation of the separate account." Therefore, Rule 6e-3(T)(b)(15) permits mixed funding but does not permit shared funding. The exemptions are also granted to the investment adviser, principal underwriter and depositor of the separate account.

6. The relief under Rule 6e-3(T) is available only where shares are offered exclusively to variable life insurance separate accounts of a life insurer or any affiliated life insurance company, and additional exemptive relief is necessary if the shares of the Funds are also to be sold to Qualified Plans or other eligible holders of shares as described above. Applicants note that if shares of the Funds were sold only to Qualified Plans, exemptive relief under Rule 6e-3(T)(b)(15) would not be necessary. The relief provided for under this section

does not relate to Qualified Plans or to a registered investment company's ability to sell its shares to Qualified Plans.

7. Applicants maintain, as discussed below, that there is no policy reason for the sale of the Funds' shares to Qualified Plans, to M&T Bank, or General Accounts to result in a prohibition against, or otherwise limit, a Participating Insurance Company from relying on the relief provided by Rules 6e-2(b)(15) and 6e-3(T)(b)(15). However, because the relief under Rules 6e-2(b)(15) and 6e-3(T)(b)(15) is available only when shares are offered exclusively to separate accounts, additional exemptive relief may be necessary if the shares of the Funds are also to be sold to Qualified Plans, M&T Bank or General Accounts. Applicants therefore request relief in order to have the participating insurance companies enjoy the benefits of the relief granted in Rules 6e-2(b)(15) and 6e-3(T)(b)(15). Applicants note that if the Funds' shares were to be sold only to Qualified Plans, M&T Bank, General Accounts and/or separate accounts funding variable annuity contracts, exemptive relief under Rule 6e-2 and Rule 6e-3(T) would be unnecessary. The relief provided for under Rules 6e-2(b)(15) and 6e-3(T)(b)(15) does not relate to Qualified Plans, M&T Bank, or General Accounts, or to a registered investment company's ability to sell its shares to such purchasers.

8. Applicants also note that the promulgation of Rules 6e-2(b)(15) and 6e-3(T)(b)(15) preceded the issuance of the Regulations that made it possible for shares of an investment company portfolio to be held by the trustee of a Qualified Plan without adversely affecting the ability of shares in the same investment company portfolio also to be held by the separate accounts of insurance companies in connection with their Variable Contracts. Thus, the sale of shares of the same portfolio to both separate accounts and Qualified Plans was not contemplated at the time of the adoption of Rules 6e-2(b)(15) and 6e-3(T)(b)(15).

9. Consistent with the Commission's authority under section 6(c) of the 1940 Act to grant exemptive orders to a class or classes of persons and transactions, this Application requests relief for the class consisting of insurers and Separate Accounts that will invest in the Funds, and to the extent necessary, Qualified Plans, other eligible holders of shares and investment advisers, principal underwriters and depositors of such accounts.

10. Section 9(a)(3) of the 1940 Act provides that it is unlawful for any
