

These subcommittee meetings are for the purpose of evaluating the scientific merit of research conducted in each specialty by Department of Veterans Affairs (VA) investigators working in VA Medical Centers and Clinics.

The subcommittee meetings will be open to the public for approximately one hour at the start of each meeting to discuss the general status of the program. The remaining portion of each subcommittee meeting will be closed to the public for the review, discussion, and evaluation of initial and renewal projects.

The closed portion of the meetings involves discussion, examination, reference to and oral review of site

visits, staff and consultant critiques of research protocols and similar documents. During this portion of the subcommittee meetings, discussion and recommendations will deal with qualifications of personnel conducting the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which could significantly frustrate implementation of proposed agency action regarding such research projects.

As provided by subsection 10(d) of Public Law 92-463, as amended by Public Law 94-409, closing portions of these subcommittee meetings is in

accordance with 5 U.S.C. 552b(c)(6) and (9)(B). Those who plan to attend or would like to obtain a copy of minutes of the subcommittee meetings and rosters of the members of the subcommittees should contact LeRoy G. Frey, Ph.D., Chief, Program Review Division, Medical Research Service, Department of Veterans Affairs, Washington, DC, (202) 408-3630.

Dated: February 7, 2003.

By Direction of the Secretary.
