32 CFR Part 322

[NSA Reg. 10-35]

Privacy Act; Implementation

AGENCY: National Security Agency/Central Security Services, DOD.

ACTION: Proposed rule.

SUMMARY: The National Security Agency/Central Security Services (NSA/CSS) is proposing to revise its Privacy Act Program procedural and exemption rules.

Revisions to the procedural rule include updating the responsibilities assigned to NSA/CSS personnel, and establishing a queue to process Privacy Act requests. Requesters will no longer be required to wait a long period of time to learn that the Agency has a no records responsive to their requests or to obtain records that require minimal review.

The NSA/CSS exemption rules are being revised to add specific subsections of 5 U.S.C. 552a from which information may be exempt, and to add the reasons for taking the specific subsections.

DATES: Comments must be received on or before April 21, 2003 to be considered by this agency.

ADDRESSES: Send comments to the National Security Agency, Office of Policy, 9800 Savage Road, Suite 6248, Ft. George G. Meade, MD 20755-6248.

FOR FURTHER INFORMATION CONTACT: Ms. Anne Hill at (301) 688-6527.

SUPPLEMENTARY INFORMATION: Executive Order 12866. It has been determined that this Privacy Act rule for the Department of Defense does not constitute 'significant regulatory action'. Analysis of the rule indicates that it does not have an annual effect on the economy of \$100 million or more; does not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; does not materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; does not raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866 (1993).

Regulatory Flexibility Act. It has been determined that this Privacy Act rule for the Department of Defense does not have significant economic impact on a substantial number of small entities

because it is concerned only with the administration of Privacy Act systems of records within the Department of Defense.

Paperwork Reduction Act. It has been determined that this Privacy Act rule for the Department of Defense imposes no information requirements beyond the Department of Defense and that the information collected within the Department of Defense is necessary and consistent with 5 U.S.C. 552a, known as the Privacy Act of 1974.

Section 202, Public Law 104-4, "Unfunded Mandates Reform Act". It has been determined that this Privacy Act rulemaking for the Department of Defense does not involve a Federal mandate that may result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100 million or more and that such rulemaking will not significantly or uniquely affect small governments.

Executive Order 13132, "Federalism". It has been determined that this Privacy Act rule for the Department of Defense does not have federalism implications. The rule does not have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government.

List of Subjects in 32 CFR Part 322

Privacy.

Accordingly, it is proposed that 32 CFR part 322 be revised to read as follows:

PART 322—NSA/CSS PRIVACY ACT PROGRAM

Sec.
