IV. Commission's Finding and Order Granting Accelerated Approval of a Proposed Rule Change

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of section 15A of the Act⁹ and the rules and regulations thereunder applicable to a national securities association. Specifically, the Commission finds that the proposed rule change, as amended, is consistent with section 15A(b)(5) of the Act,¹⁰ in that the proposal provides for an equitable allocation of reasonable dues, fees, and other charges among issuers using Nasdaq's facility and/or systems. As represented by Nasdaq, the Commission notes that the proposed fee increase in Nasdaq SmallCap entry and annual fees reflect the additional costs associated with operating Nasdaq SmallCap market, including various regulatory and client services provided to issuers. Namely, Nasdaq represented that it has continued to invest in market services and market quality improvements such as SuperMontage, the Nasdaq Market Intelligence Desk,

and enhancements to NASDAQ.com. Furthermore, as represented by Nasdaq, the increase of a non-refundable application fee from \$1,000 to \$5,000 covers the processing of an issuer application for entry, especially in those instances where an issuer has withdrawn its application or has been denied listing.

The Commission also finds that the proposed rule change consistent with section 15A(b)(6) of the Act¹¹ because the proposed rules promote just and equitable principles of trade, and protect investors and the public interest. In particular, the Commission notes that Nasdaq should provide greater transparency to issuers by codifying its regular practice of charging a \$1,000 fee for the inclusion of any class of rights. Finally, Nasdaq has represented that it would assess appropriate entry fees based on the fee schedule in effect at the time of listing, rather than the application date.

Nasdaq seeks to implement that proposed fees on January 1, 2003. In order to facilitate the implementation of the new fee schedule and ease administration of the fees, Nasdaq has requested that the Commission find good cause to approve the proposed rule change, as amended, before the thirtieth day after the date of publication of notice in the **Federal Register**. The Commission finds good cause to approve the proposed rule change, as amended, prior to the thirtieth day after publication in the **Federal Register**. The Commission believes that granting accelerated approval to the amended proposal will allow Nasdaq to implement the new fees by January 1, 2003 and will provide issuers with notice and an opportunity to budget for additional costs.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹² that the proposed rule change (SR-NASD-2002-183) is approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-47112; File No. SR-NASD-2002-182]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the National Association of Securities Dealers, Inc. Extending Existing Pilot Program for the Regulatory Fee and Trading Activity Fee

December 31, 2002.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 26, 2002, the National Association of Securities Dealers, Inc. ("NASD" or "Association") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the NASD. The Association filed the proposal pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The NASD proposes to extend the pilot program for the Trading Activity Fee ("TAF") through March 1, 2003. The TAF structure as originally proposed in SR-NASD-2002-98⁵ (and modified in SR-NASD-2002-147⁶) is set to expire on December 31, 2002. Upon expiration of SR-NASD-2002-98, the member regulatory pricing structure was to revert to Section 8 of Schedule A of the By-Laws as amended. However, the NASD has determined not to revert to the previous pricing structure, but rather to extend the TAF pilot program, to maintain the status quo and to allow the Commission more time to review issues presented by the TAF proposed rule change.⁷ The NASD proposes no substantive changes to the existing pilot
