SUPPLEMENTARY INFORMATION:

Background

On February 16, 1999, we published a proposed rule to list the mountain plover as a threatened species (64 FR 7587). Higher priority listing actions precluded listing work on the mountain plover during Fiscal Years 2000 and 2001. On October 16, 2001, Earthjustice (representing the Biodiversity Legal Foundation, Biodiversity Associates, and Center for Native Ecosystems) submitted a 60-day notice of intent to sue to the Secretary of the Department of the Interior and the Fish and Wildlife Service Regional Director for failure to meet listing deadlines for the mountain plover, as required by section 4(b)(6)(A) of the Act. We responded by publishing a notice of new information and reopening the comment period on the listing proposal on December 5, 2002 (67 FR 72396). The comment period closed on February 3, 2003.

Section 4(b)(5)(E) of the Act requires that public hearings regarding proposals for listing be held promptly when

requested by the public within 45 days of the proposal's publication in the **Federal Register**. We received public hearing requests and requests to extend the comment period during the allotted time period from California Congressman Bob Filner, the Oklahoma Farm Bureau, the Kansas Farm Bureau, and Holland and Hart LLP, representing the Petroleum Association of Wyoming. Following discussions with each of these parties, each agreed that informational meetings rather than formal hearings would be acceptable. Therefore, we scheduled, advertised, and conducted informational meetings in El Centro, California, and Elkhart, Kansas. We are also reopening the comment period in response to these requests. Comments already submitted in response to the December 5, 2002, rulemaking document need not be resubmitted and will be fully considered in our decisionmaking on this proposed rule.
