

bylaws of the organization, as appropriate;

(C) A description of the services performed or to be performed in connection with programs administered by the Department of Veterans Affairs, with an approximation of the number of veterans, survivors, and dependents served or to be served by the organization in each type of service designated; and

(D) A description of the type of services, if any, performed in connection with other Federal and State programs which are designed to assist former Armed Forces personnel and their dependents, with an approximation of the number of veterans, survivors, and dependents served by the organization under each program designated.

(iii) Commit a significant portion of its assets to veterans' services and have adequate funding to properly perform those services. In establishing that it meets this requirement, an organization requesting recognition shall submit:

(A) A copy of the last financial statement of the organization indicating the amount of funds allocated for conducting particular veterans' services (VA may, in cases where it deems necessary, require an audited financial statement); and

(B) A statement indicating that use of the organization's funding is not subject to limitations imposed under any Federal grant or law which would prevent it from representing claimants before the Department of Veterans Affairs.

(iv) Maintain a policy and capability of providing complete claims service to each claimant requesting representation or give written notice of any limitation in its claims service with advice concerning the availability of alternative sources of claims service. Except as provided in paragraphs (d)(1)(iv)(A) and (B) of this section, in establishing that it meets this requirement, an organization requesting recognition shall submit evidence of its capability to represent claimants before Department of Veterans Affairs regional offices and before the Board of Veterans' Appeals.

(A) If an organization does not intend to represent claimants before the Board of Veterans' Appeals, the organization shall submit evidence of an association or agreement with a recognized service organization for the purpose of representation before the Board of Veterans' Appeals, or the proposed method of informing claimants of the limitations in service that can be provided, with advice concerning the availability of alternative sources of claims service.

(B) If an organization does not intend to represent each claimant requesting assistance, the organization shall submit a statement of its policy concerning the selection of claimants and the proposed method of informing claimants of this policy, with advice concerning the availability of alternative sources of claims service.

**Note to Paragraph (d)(1)(iv):** An organization may be considered to provide complete claims service notwithstanding the exercise of discretion to determine that provision of representation in a particular case is impracticable or inappropriate because, under the circumstances, the facts or law do not support the filing of a claim or appeal, an appropriate representative-claimant relationship cannot be maintained, or representation would give rise to a conflict of interest on the part of the organization.

(v) Take affirmative action, including training and monitoring of accredited representatives, to ensure proper handling of claims. In establishing that it meets this requirement, an organization requesting recognition shall submit:

(A) A statement of the skills, training, and other qualifications of current paid or volunteer staff personnel for handling veterans' claims; and

(B) A plan for recruiting and training qualified claim representatives, including the number of hours of formal classroom instruction, the subjects to be taught, the period of on-the-job training, a schedule or timetable for training, the projected number of trainees for the first year, and the name(s) and qualifications of the individual(s) primarily responsible for the training.

(2) In addition, the organization requesting recognition shall supply:

(i) A statement that neither the organization nor its accredited representatives will charge or accept a fee or gratuity for service to a claimant and that the organization will not represent to the public that Department of Veterans Affairs recognition of the organization is for any purpose other than claimant representation; and

(ii) The names, titles, and addresses of officers and the official(s) authorized to certify representatives.

(e) *Recognition or denial.* Only the Secretary is authorized to recognize organizations. Notice of the Secretary's determination on a request for recognition will be sent to an organization within 90 days of receipt of all information to be supplied.
